- Extension of the contract duration: The contract will be signed with a duration of 2 years with an option to extend for 1 + 1 year.
- The Norwegian Defence has the option to join the contract.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Tenderers must be registered in a company register, professional register or a trade register in the country where the tenderer is established.

Documentation requirement:

- Norwegian tenderers: Company Registration Certificate
- Foreign companies: Verification that the tenderer is registered in a company register, professional register or a trade register in the country where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tenderers must have sufficient economic and financial capacity to fulfil the contract.

Documentation requirement:

Credit rating based on the most recent accounting figures. The rating must be carried out by a credit rating agency with a licence to provide such service. If a tenderer has valid reasons for not being able to provide the documentation requested by the contracting authority, the tenderer can document his economic and financial capacity by presenting other documents considered suitable by the contracting authority.

Minimum level(s) of standards possibly required:

Creditworthiness with no requirement for guarantees will be sufficient to meet the requirement.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

- A. Tenderers must have experience from comparable assignments.
- B. Tenderers must have relevant professional competence within the procurement's scope.
- C. Tenderers must have a good and well-functioning quality assurance and management system for the provided services
- D. Tenderers must have an established environmental management system.

Minimum level(s) of standards possibly required:

Documentation requirement:

A. Description of up to three of the tenderer's most relevant/comparable assignments in the last three years. The description must include a statement of the assignment value, dates and recipients (name, telephone number and e-mail address). It is the tenderer's responsibility to confirm relevance through the description. Tenderers can document experience by referring to the competence of personnel at disposal for this assignment, including experience that has been acquired while personnel performed services for another supplier.

B. Compliance with the requirement must be verified by presenting a description of the following:

-Knowledge of relevant products

-Knowledge of the market

C. Tenderers must submit documentation of the quality assurance system and management system. The following documentation will be accepted: Certificates of the tenderer's quality assurance/quality management system issued by independent bodies confirming that the tenderer meets the quality assurance standards according to ISO 9001 or equivalent, or a description that as a minimum comprises the tenderer's procedures/routines for: Deviation and claims management and the process from reception of bookings up until delivery to the customer.

D. Tenderers must submit documentation of their environmental management system. The following documentation will be accepted: Valid attestation/certificates issued by independent bodies (e.g. ISO 14001, EMAS, Eco-Lighthouse or equivalent, or a description of the tenderer's own environmental management system. The description must as a minimum include an environmental policy and environmental goals.
