**I.2. Information about joint procurement**

The contract involves joint procurement

In the case of joint procurement involving different countries, state applicable national procurement law:

EU law.

**I.3. Communication**

The procurement documents are available for unrestricted and full direct access, free of charge, at: <https://www.gsa.europa.eu/about/how-we-work/procurement>

Additional information can be obtained from the abovementioned address

Tenders or requests to participate must be submitted to the abovementioned address

**I.4. Type of the contracting authority**

European institution/agency or international organisation

**I.5.**

**Main activity**

Other activity: Space, global navigation satellite systems

**Section II: Object**

---

**II.1. Scope of the procurement****II.1.1. Title**

Support Services for the EU Space Programme

Reference number: GSA/OP/05/20

**II.1.2. Main CPV code**

72000000 IT services: consulting, software development, Internet and support

**II.1.3. Type of contract**

Services

**II.1.4. Short description**

The general aim of the contracts to be signed as a result of this interinstitutional procurement for the GSA is the provision of support activities at the GSA Headquarters in Prague, GSA office in Toulouse, GSMC France and GSMC Spain, the Galileo Service Centre in Madrid, the Galileo Reference Centre in Noordwijk, the Galileo Control Centres in Germany and Italy, and for the European Commission in Brussels as additional contracting authority for support of security issues related to the European GNSS Programmes (Galileo and EGNOS) and general issues for the future European space programme, EUSPA.

**II.1.5. Estimated total value**

Value excluding VAT: 215 415 000,00 EUR

**II.1.6. Information about lots**

This contract is divided into lots: yes

Tenders may be submitted for all lots

**II.2. Description****II.2.1. Title**

General support for the GSMC

Lot No: 1

**II.2.2. Additional CPV code(s)**

30211400 Computer configurations, 48218000 License management software package, 51300000 Installation services of communications equipment, 71300000 Engineering services, 71311300 Infrastructure works consultancy services, 71330000 Miscellaneous engineering services, 71336000 Engineering support services, 71340000 Integrated engineering services, 72000000 IT services: consulting, software development, Internet and support, 72100000 Hardware consultancy services, 72110000 Hardware selection consultancy services, 72224000 Project management consultancy services, 72225000 System quality assurance assessment and review services, 72265000 Software configuration services, 72514000 Computer facilities management services, 72540000 Computer upgrade services, 72600000 Computer support and consultancy services, 73430000 Test and evaluation, 73431000 Test and evaluation of security equipment, 79418000 Procurement consultancy services, 79421000 Project-management services other than for construction work

### **II.2.3. Place of performance**

NUTS code: CZ01 Praha

NUTS code: FR France

NUTS code: ES3 Comunidad de Madrid

Main site or place of performance: Place of performance will focus on the GSMC site in France, some activities will have to be performed also at the GSMC site in Spain and some tasks may be performed at the contractor's premises.

### **II.2.4. Description of the procurement**

The subject matter of this lot is the provision of support services to the GSMC concerning site engineering, procurement of non-specific IT systems, the implementation of the security environment, internal GSMC projects management, administration, logistics support organisation, the improvement of the Agency's internal processes and quality assurance. The required support in particular relates the hosting infrastructure, the management of Facility Management Services (FMS), the support to procurement of non-specific IT systems, the implementation of the security environment, internal GSMC projects management, administration, logistics support organisation, the improvement of the Agency's internal processes and quality assurance.

### **II.2.5. Award criteria**

Criteria below

Quality criterion - Name: Adequacy of the proposed approach and methodology of the simulation exercise per work package with the following subcriteria with their elements of equal weighting / Weighting: 39

Quality criterion - Name: Quality and adequacy of the back-up team / Weighting: 9

Quality criterion - Name: Quality of the contingency plan and measures to ensure stability and continuity of services / Weighting: 6

Quality criterion - Name: Adequacy of proposed measures to deal with conflicts of interest issues arising during the contract execution evaluated on the basis of quality of methodology to implement measures against conflict of interests during the duration of the contract / Weighting: 6

Price - Weighting: 40

### **II.2.6. Estimated value**

Value excluding VAT: 4 065 000,00 EUR

### **II.2.7. Duration of the contract, framework agreement or dynamic purchasing system**

Duration in months: 12

This contract is subject to renewal: yes

Description of renewals:

The initial duration of the FWC is 1 (one) year from its signature with the possibility of extension up to 3 (three) times for additional 1 (one) year (the total duration of each FWC shall not exceed 4 (four) years), subject to availability of Union Budget.

### **II.2.10. Information about variants**

Variants will be accepted: no

### **II.2.11. Information about options**

Options: no

### **II.2.13.**

## **Information about European Union funds**

The procurement is related to a project and/or programme financed by European Union funds:  
yes

Identification of the project: Galileo programme.

### **II.2.14. Additional information**

Depending on the tasks, security clearance by personnel performing the services up to SECRET UE/EU SECRET is beneficial or will be required. Tasks shall be performed by a core team and be supported by a back-up team.

## **II.2. Description**

### **II.2.1. Title**

Specific support for the GSMC

Lot No: 2

### **II.2.2. Additional CPV code(s)**

45222300 Engineering work for security installations, 45315100 Electrical engineering installation works, 71320000 Engineering design services, 71300000 Engineering services, 72514100 Facilities management services involving computer operation, 50300000 Repair, maintenance and associated services related to personal computers, office equipment, telecommunications and audio-visual equipment, 50310000 Maintenance and repair of office machinery, 50312000 Maintenance and repair of computer equipment, 50312300 Maintenance and repair of data network equipment, 50312310 Maintenance of data network equipment, 50312600 Maintenance and repair of information technology equipment, 50312610 Maintenance of information technology equipment, 50320000 Repair and maintenance services of personal computers, 50322000 Maintenance services of personal computers, 50323000 Maintenance and repair of computer peripherals, 50330000 Maintenance services of telecommunications equipment, 80500000 Training services, 80510000 Specialist training services, 80511000 Staff training services, 80531200 Technical training services, 80600000 Training services in defence and security materials, 79632000 Personnel-training services, 92312212 Services related to the preparation of training manuals

### **II.2.3. Place of performance**

NUTS code: CZ01 Praha

NUTS code: FR France

NUTS code: ES3 Comunidad de Madrid

Main site or place of performance: Place of performance will focus on the GSMC site in France, some activities will have to be performed also at the GSMC site in Spain and some tasks may be performed at the contractor's premises.

### **II.2.4. Description of the procurement**

The subject matter of this Lot is the provision of support to the GSMC in its primary and future missions, in particular security monitoring and the service interface for the access to the Galileo Public Regulated Service (PRS).

The required support in particular relates to security monitoring and the service interface for the access to the Galileo Public Regulated Service (PRS). This support will deal with the preparation and improvement of the GSMC operations, from the elicitation of operational and service needs and up to the training of the GSA operators and directly supporting some of those operations. This will encompass the support to build-up the accreditation file, as well as the missions-related engineering, product assurance and ILS support related to the equipment dedicated to GSMC's missions.

### **II.2.5. Award criteria**

Criteria below

Quality criterion - Name: Adequacy of the proposed approach and methodology of the Simulation Exercise per Work Package / Weighting: 49.2

Quality criterion - Name: Quality and adequacy of the back-up team / Weighting: 7.2

Quality criterion - Name: Quality of the contingency plan and measures to ensure stability and continuity of services / Weighting: 1.8

Quality criterion - Name: Adequacy of proposed measures to deal with conflicts of interest issues arising during the contract execution evaluated on the basis of quality of methodology to implement measures against conflict of interests during the duration of the contract. / Weighting: 1.8

Price - Weighting: 40

### **II.2.6. Estimated value**

Value excluding VAT: 8 595 000,00 EUR

### **II.2.7. Duration of the contract, framework agreement or dynamic purchasing system**

Duration in months: 12

This contract is subject to renewal: yes

Description of renewals:

The initial duration of the FWC is 1 (one) year from its signature with the possibility of extension up to 3 (three) times for additional 1 (one) year (the total duration of each FWC shall not exceed 4 (four) years), subject to availability of Union Budget.

### **II.2.10. Information about variants**

Variants will be accepted: no

### **II.2.11. Information about options**

Options: no

### **II.2.13. Information about European Union funds**

The procurement is related to a project and/or programme financed by European Union funds: yes

Identification of the project: Galileo programme

### **II.2.14. Additional information**

Depending on the tasks, security clearance by personnel performing the services up to SECRET UE/EU SECRET will be required. Authorisation by the GSA Security Accreditation Board in the categories "PRS security modules" or "PRS receivers" will be required depending on the task. Tasks shall be performed by a core team and be supported by a back-up team.

## **II.2. Description**

### **II.2.1. Title**

Galileo security support

Lot No: 3

### **II.2.2. Additional CPV code(s)**

32571000 Communications infrastructure, 45111291 Site-development work, 71248000 Supervision of project and documentation, 71300000 Engineering services, 71311300 Infrastructure works consultancy services, 71320000 Engineering design services, 71336000 Engineering support services, 71356300 Technical support services, 71600000 Technical testing, analysis and consultancy services, 71620000 Analysis services, 71621000 Technical

analysis or consultancy services, 72224000 Project management consultancy services, 72240000 Systems analysis and programming services, 72250000 System and support services, 72253200 Systems support services, 72316000 Data analysis services, 72512000 Document management services, 73400000 Research and Development services on security and defence materials, 73431000 Test and evaluation of security equipment, 79131000 Documentation services, 79710000 Security services, 79421000 Project-management services other than for construction work

### **II.2.3. Place of performance**

NUTS code: CZ01 Praha

Main site or place of performance: Place of performance will focus on the GSAHQ in Prague with missions to its sites and the European Commission's and ESA's premises across Europe.

### **II.2.4. Description of the procurement**

The subject matter of this Lot is the provision of both generic security support and space-specific security support for the GSA Security Department.

The required support in particular relates to Galileo services security, to Galileo Public Regulated Service (PRS) and to Security Accreditation Preparation.

### **II.2.5. Award criteria**

Criteria below

Quality criterion - Name: Adequacy of the proposed approach and methodology of the Simulation Exercise / Weighting: 34.8

Quality criterion - Name: Quality and adequacy of the back-up team / Weighting: 7.2

Quality criterion - Name: Quality of the contingency plan and measures to ensure stability and continuity of services / Weighting: 12

Quality criterion - Name: Adequacy of proposed measures to deal with conflicts of interest issues arising during the contract execution evaluated on the basis of quality of methodology to implement measures against conflict of interests during the duration of the contract. / Weighting: 6

Price - Weighting: 40

### **II.2.6. Estimated value**

Value excluding VAT: 20 905 000,00 EUR

### **II.2.7. Duration of the contract, framework agreement or dynamic purchasing system**

Duration in months: 12

This contract is subject to renewal: yes

Description of renewals:

The initial duration of the FWC is 1 (one) year from its signature with the possibility of extension up to 3 (three) times for additional 1 (one) year (the total duration of each FWC shall not exceed 4 (four) years), subject to availability of Union Budget.

### **II.2.10. Information about variants**

Variants will be accepted: no

### **II.2.11. Information about options**

Options: no

### **II.2.13. Information about European Union funds**

The procurement is related to a project and/or programme financed by European Union funds: yes

Identification of the project: Galileo programme

#### **II.2.14. Additional information**

Depending on the tasks, security clearance by personnel performing the services up to SECRET UE/EU SECRET will be required. Authorisation by the GSA Security Accreditation Board in the categories "PRS security modules" or "PRS support" will be required depending on the task. Tasks shall be performed by a core team and be supported by a back-up team.

### **II.2. Description**

#### **II.2.1. Title**

European space programmes security support  
Lot No: 4

#### **II.2.2. Additional CPV code(s)**

45222300 Engineering work for security installations, 71300000 Engineering services, 71311200 Transport systems consultancy services, 71621000 Technical analysis or consultancy services, 72100000 Hardware consultancy services, 72130000 Computer-site planning consultancy services, 72224000 Project management consultancy services, 72246000 Systems consultancy services, 73400000 Research and Development services on security and defence materials, 75220000 Defence services, 75222000 Civil defence services, 79417000 Safety consultancy services, 79430000 Crisis management services, 79710000 Security services, 90711100 Risk or hazard assessment other than for construction

#### **II.2.3. Place of performance**

NUTS code: CZ01 Praha

NUTS code: FR France

NUTS code: BE1 Région de Bruxelles-Capitale/Brussels Hoofdstedelijk Gewest

Main site or place of performance: Place of performance will focus on the GSA office in Toulouse, and its HQ in Prague, with additional activities in Brussels.

#### **II.2.4. Description of the procurement**

The subject matter of this is the provision of both generic security support and space-specific security support for the GSA Security Department and for the European Commission, which also acts as contracting authority for certain tasks of this Lot.

The required support relates to security activities for EGNOS and other space programmes such as GOVSATCOM, COPERNICUS, Space Situational Awareness (SSA) as well as other space activities and activities related security support to defence, quantum and general security activities. Additionally, support by a contractor with experience in implementation of cyber security managements frameworks in safety critical systems, particularly in civil aviation security is sought. Further sought is support to the establishment of the European Commission crisis management organisation, which could include definition and validation of Business Continuity Plans and associated crisis communication plan.

#### **II.2.5. Award criteria**

Criteria below

Quality criterion - Name: Adequacy of the proposed approach and methodology of the Simulation Exercise per Work Package / Weighting: 36

Quality criterion - Name: Quality and adequacy of the back-up team / Weighting: 6

Quality criterion - Name: Quality of the contingency plan and measures to ensure stability and continuity of services / Weighting: 12

Quality criterion - Name: Q.4 Adequacy of proposed measures to deal with conflicts of interest issues arising during the contract execution evaluated on the basis of quality of methodology to implement measures against conflict of interests during the duration of the contract /  
Weighting: 6  
Price - Weighting: 40

#### **II.2.6. Estimated value**

Value excluding VAT: 29 500 000,00 EUR

#### **II.2.7. Duration of the contract, framework agreement or dynamic purchasing system**

Duration in months: 12

This contract is subject to renewal: yes

Description of renewals:

The initial duration of the FWC is 1 (one) year from its signature with the possibility of extension up to 3 (three) times for additional 1 (one) year (the total duration of each FWC shall not exceed 4 (four) years), subject to availability of Union Budget.

#### **II.2.10. Information about variants**

Variants will be accepted: no

#### **II.2.11. Information about options**

Options: no

#### **II.2.13. Information about European Union funds**

The procurement is related to a project and/or programme financed by European Union funds:  
yes

Identification of the project: Galileo and EGNOS programmes

#### **II.2.14. Additional information**

Depending on the tasks, security clearance by personnel performing the services up to SECRET UE/EU SECRET will be required. Authorisation by the GSA Security Accreditation Board in the category "PRS support" and CRYPTO clearance will be required depending on the task. Tasks shall be performed by a core team and be supported by a back-up team.

### **II.2. Description**

#### **II.2.1. Title**

Corporate security support

Lot No: 5

#### **II.2.2. Additional CPV code(s)**

48311100 Document management system, 72224000 Project management consultancy services, 72322000 Data management services, 72512000 Document management services, 73431000 Test and evaluation of security equipment, 79421000 Project-management services other than for construction work, 79710000 Security services, 80500000 Training services, 80510000 Specialist training services, 80511000 Staff training services, 80522000 Training seminars, 80531200 Technical training services, 80600000 Training services in defence and security materials, 72220000 Systems and technical consultancy services, 72225000 System quality assurance assessment and review services

#### **II.2.3. Place of performance**

NUTS code: CZ01 Praha

Main site or place of performance: Place of performance will focus on the GSA HQ in Prague, some tasks may be performed at the contractor's premises.

#### **II.2.4. Description of the procurement**

The subject matter of this Lot is the provision of both generic security support and space-specific security support for the GSA Security Department.

The required support relates to COMSEC Distribution Authority, support to security documentation management and support to training on security matters.

#### **II.2.5. Award criteria**

Criteria below

Quality criterion - Name: Adequacy of the proposed approach and methodology of the Simulation Exercise per Work Package / Weighting: 36

Quality criterion - Name: Quality and adequacy of the back-up team / Weighting: 6

Quality criterion - Name: Quality of the contingency plan and measures to ensure stability and continuity of services / Weighting: 12

Quality criterion - Name: Adequacy of proposed measures to deal with conflicts of interest issues arising during the contract execution evaluated on the basis of quality of methodology to implement measures against conflict of interests during the duration of the contract / Weighting: 6

Price - Weighting: 40

#### **II.2.6. Estimated value**

Value excluding VAT: 19 980 000,00 EUR

#### **II.2.7. Duration of the contract, framework agreement or dynamic purchasing system**

Duration in months: 12

This contract is subject to renewal: yes

Description of renewals:

The initial duration of the FWC is 1 (one) year from its signature with the possibility of extension up to 3 (three) times for additional 1 (one) year (the total duration of each FWC shall not exceed 4 (four) years), subject to availability of Union Budget.

#### **II.2.10. Information about variants**

Variants will be accepted: no

#### **II.2.11. Information about options**

Options: no

#### **II.2.13. Information about European Union funds**

The procurement is related to a project and/or programme financed by European Union funds: yes

Identification of the project: Galileo programme

#### **II.2.14. Additional information**

Depending on the tasks, security clearance by personnel performing the services up to SECRET UE/EU SECRET will be required. Authorisation by the GSA Security Accreditation Board in the categories "PRS support" and CRYPTO clearance will be required depending on the task. Tasks shall be performed by a core team and be supported by a back-up team.

### **II.2. Description**

#### **II.2.1. Title**

Service Engineering and Service Management support

Lot No: 6

### **II.2.2. Additional CPV code(s)**

71300000 Engineering services, 71335000 Engineering studies, 71336000 Engineering support services, 72224000 Project management consultancy services, 75000000 Administration, defence and social security services, 79419000 Evaluation consultancy services, 79710000 Security services, 79411000 General management consultancy services

### **II.2.3. Place of performance**

NUTS code: CZ01 Praha

NUTS code: FRJ23 Haute-Garonne

NUTS code: BE1 Région de Bruxelles-Capitale/Brussels Hoofdstedelijk Gewest

Main site or place of performance: Place of performance will focus on the GSA HQ in Prague, GSA site in Toulouse and EC in Brussels. Tasks may be performed at contractor's premises with missions within Europe and to North America/Asia

### **II.2.4. Description of the procurement**

The subject matter of this Lot may include service engineering and mission management support, support to European space programmes evolutions, certification engineering support to European space programmes, standardisation support, service performance support for European space programmes for the GSA and and for the European Commission, which also acts as contracting authority for certain tasks of this Lot.

### **II.2.5. Award criteria**

Criteria below

Quality criterion - Name: Adequacy of the proposed approach and methodology of the simulation exercise per task / Weighting: 15

Quality criterion - Name: Quality and adequacy of the back-up team / Weighting: 15

Quality criterion - Name: Quality of the contingency plan and measures to ensure stability and continuity of services / Weighting: 24

Quality criterion - Name: Adequacy of proposed measures to deal with conflicts of interest issues arising during the contract execution evaluated on the basis of quality of methodology to implement measures against conflict of interests during the duration of the contract / Weighting: 6

Price - Weighting: 40

### **II.2.6. Estimated value**

Value excluding VAT: 28 600 000,00 EUR

### **II.2.7. Duration of the contract, framework agreement or dynamic purchasing system**

Duration in months: 12

This contract is subject to renewal: yes

Description of renewals:

The initial duration of the FWC is 1 (one) year from its signature with the possibility of extension up to 3 (three) times for additional 1 (one) year (the total duration of each FWC shall not exceed 4 (four) years), subject to availability of Union Budget.

### **II.2.10. Information about variants**

Variants will be accepted: no

### **II.2.11. Information about options**

Options: no

### **II.2.13.**

## **Information about European Union funds**

The procurement is related to a project and/or programme financed by European Union funds:  
yes

Identification of the project: Galileo programme

### **II.2.14. Additional information**

Depending on the tasks, security clearance by personnel performing the services up to SECRET UE/EU SECRET will be required. Authorisation by the GSA Security Accreditation Board in the category "PRS support" will be required depending on the task. Tasks shall be performed by a core team and be supported by a back-up team.

## **II.2. Description**

### **II.2.1. Title**

Support to System Design and Development

Lot No: 7

### **II.2.2. Additional CPV code(s)**

71300000 Engineering services, 72220000 Systems and technical consultancy services, 45222300 Engineering work for security installations, 71334000 Mechanical and electrical engineering services, 71350000 Engineering-related scientific and technical services, 71600000 Technical testing, analysis and consultancy services, 71620000 Analysis services, 72240000 Systems analysis and programming services, 72224000 Project management consultancy services, 79421000 Project-management services other than for construction work

### **II.2.3. Place of performance**

NUTS code: CZ01 Praha

NUTS code: ES3 Comunidad de Madrid

## **Section VI: Complementary information**

---

### **VI.1.**

## **Information about recurrence**

This is a recurrent procurement: no

### **VI.3. Additional information**

In this procurement, lots 4, 6, 10 and 11 will be subject to interinstitutional procurement, i.e. the GSA and the European Commission will both be contracting authorities and may place specific contracts under the framework contracts to be awarded for these respective lots. Framework contracts for each lot are planned to be placed in cascade with the first and the second ranked contractor.

Tenderers may submit tenders for more than one lot. Due to being tender a multi-lot tender where availability of consultant, quality and continuity of services is of the essence tenderers will be invited not to present the same individual consultants for the provision of services in different lots. Tenderers are informed that in case this happens, the consultants proposed to provide services in more than one lot will not be considered as part of the tenderers' offers for evaluation purposes under any of the lots.
