Internet address: <http://intendhost.co.uk/fe>

Tenders or requests to participate must be submitted: Official name: The Grimsby Institute Group

Postal address: Laceby Road
Town: Grimsby
Postal code: DN34 5BQ
Country: United Kingdom
Contact person: Purchasing
For the attention of: Melanie Vines
E-mail: purchasing@grimsby.ac.uk
Telephone: +44 1472311248
Internet address: <http://intendhost.co.uk/fe>

I.2. Type of the contracting authority

Body governed by public law

I.3. Main activity

Education

I.4. Contract award on behalf of other contracting authorities

The contracting authority is purchasing on behalf of other contracting authorities: no

Section II: Object of the contract

II.1. Description

II.1.1. Title attributed to the contract by the contracting authority

The Grimsby Institute — Supply and Installation of Crane Simulator and Associated Equipment.

II.1.2. Type of contract and place of performance or delivery

Supplies

Purchase

NUTS code

II.1.3. Information about a framework agreement or a dynamic purchasing system

The notice involves a public contract

II.1.4. Information about framework agreement

II.1.5. Short description of the contract or purchase(s)

The Grimsby Institute of Further and Higher Education is 1 of the largest colleges in the UK. We currently operate from approximately 40 sites.

As well as offering a diverse curriculum we also operate several commercial entities including award winning restaurant, golf club, construction company and reprographics facility.

The requirement is for the supply and installation of the following equipment which may be offered in 1 lot or divided into 2 lots as follows:

— Possible Lot 1, 2 x full mission crane simulators (fixed and/or mobile platform) Possible Lot 1;

— 6 x desktop part task;

— Possible Lot 2, 1 x full mission reach stacker;

— 2 x reach stacker desktop;

— 1 x roll on roll off tug.

It is possible during the procurement and installation of this equipment that if, subject to business need, a third full mission crane simulator is required. You will (at the appropriate stage) be asked to provide an optional price for the third model.

At the pricing stage you will also be required to provide costs for the full mission simulators to have fixed and motion platforms. It is planned for the simulator models to be located on the ground floor of the building which has substantial concrete footings and flooring. You will be required to identify in your final submission of any additional flooring that is required to be placed on the concrete to prevent any disturbance of the user experience.

The classroom desktop sessions are likely to be on the first floor mezzanine level which is due to be constructed. Also during the pricing stage you will be required to identify minimum operating temperatures for all of the equipment. It is likely that the hanger location of the simulators will have temperatures falling below +15°C (59°F) and as such you will be required in your final submission to advise on any design suggestions to overcome any drop in temperature. Attached with this tender document is the existing floor plan layout of the hanger section of the building.

Modal has purchased a series of equipment for the simulator suites from Kongsberg Maritime which consists of:

- Full mission bridge simulator 3600;
- Class B bridge simulator;
- Class B bridge simulator with extended viewing;
- Class C desktop simulator for basic DP.

It is desirable that your proposed product is able to demonstrate links and integrate with your proposed solution on the above equipment in order that the training provided is fully involved and functioning as well providing stand-alone training.

At section H is a system requirements document with a specification of the products required. You are not required to complete and return this as part of the PQQ stage. This document will be required to be completed and returned as part of the Invitation to Tender stage if your company is selected to participate.

The standards as laid out in Section H system requirements are the minimum standards that are accepted as appropriate training simulators. Modal will be aligning its training to meet the OMHEC (Offshore Mechanical Handling Equipment committee) Training Standards. By meeting these minimum standards Modal Training can be confident of meeting industry best practice.

Payment terms: The Group will require payment terms identifying as part of the Invitation to Tender (ITT) stage and should not be stated at this initial stage.

Delivery timescales — Installation during July and to be completed by end August 2016.

Please advise in your PQQ submission your delivery lead in times for this project.

II.1.6. CPV code(s)

34152000 Training simulators, 34931400 Ship bridge simulators, 34150000 Simulators

II.1.7. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: no

II.1.8. Lots

This contract is divided into lots: yes

Tenders may be submitted for one or more lots

II.1.9. Information about variants

Variants will be accepted: yes

II.2. Scope of the procurement

II.2.1. Total quantity or scope

Lot 1 — 2 x Full mission crane simulators and 6 x desktop part task;

Lot 2 — 1 x full mission reach stacker, 2 x reach stacker desktop and 1 x roll on roll off tug.

II.2.2. Information about options

Options: yes

Description of options: Will appoint as 2 lots or combine both into 1 lot.

II.2.3. Information about renewals

This contract is subject to renewal: yes

II.3. Duration of the contract or time limit for completion

Start 1.6.2016. Completion 1.8.2016

Information about lots

Lot No: 1

Lot title: Supply and Installation of Crane Simulator and Associated Equipment

1) Short description

To supply, install and maintain the following equipment.

2) CPV code(s)

34930000 Marine equipment, 34950000 Loadbearing equipment, 34513400 Floating cranes, 34931000 Harbour equipment

3) Quantity or scope

2 x Full mission crane simulator;

6 x Desktop part task.

Estimated value excluding VAT:

Range: between 700 000 and 820 000 GBP

4) Indication about different time frame or duration

5) Additional information about lots

Can appoint as 2 lots or 1 complete lot if appropriate.

Lot No: 2

Lot title: Supply and Installation Crane Simulator and Associated Equipment

1) Short description

To supply, install and maintain the following equipment.

2) CPV code(s)

34930000 Marine equipment, 34950000 Loadbearing equipment, 34513400 Floating cranes, 34931000 Harbour equipment

3) Quantity or scope

1 x Full mission reach stacker;

2 x reach stacker desktop;

1 x roll on roll off tug.

Estimated value excluding VAT:

Range: between 60 000 and 80 000 GBP

4) Indication about different time frame or duration

5) Additional information about lots

Can appoint as 2 lots or 1 complete lot if appropriate.

Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

As defined in PQQ.

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

As defined in PQQ.

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

As defined in PQQ.

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: yes

Description of particular conditions: As defined in PQQ.

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: As defined in PQQ.

III.2.2. Economic and financial ability

List and brief description of conditions: As defined in PQQ.

III.2.3. Technical and professional ability

List and brief description of conditions:

As defined in PQQ.

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts

III.3.1. Information about a particular profession

III.3.2. Information about staff responsible for the performance of the contract

Section IV: Procedure

IV.1. Type of procedure

IV.1.1. Type of procedure

Restricted

IV.1.2. Information about the limits on the number of candidates to be invited

Envisaged minimum number 5

Objective criteria for choosing the limited number of candidates: As defined in PQQ.

IV.1.3. Information about reduction of the number of solutions or tenders during negotiation or dialogue

IV.2. Award criteria

IV.2.1. Award criteria

The most economically advantageous tender in terms of Price is not the only award criterion and all criteria are stated only in the procurement documents

IV.2.2. Information about electronic auction

An electronic auction will be used: no

IV.3. Administrative information

IV.3.1. File reference number attributed by the contracting authority

DT/MV/PH/SW

IV.3.2. Previous publication concerning this procedure

no

IV.3.3.

Conditions for obtaining specifications and additional documents or descriptive document

Time limit for receipt of requests for documents or for accessing documents: 15.2.2016 - 12:00

Payable documents: no

IV.3.4. Time limit for receipt of tenders or requests to participate

23.2.2016 - 12:00

IV.3.5. Estimated date of dispatch of invitations to tender or to participate to selected candidates

27.2.2016

IV.3.6. Languages in which tenders or requests to participate may be submitted

English.

IV.3.7. Minimum time frame during which the tenderer must maintain the tender

IV.3.8. Conditions for opening of tenders

Persons authorised to be present at the opening of tenders: yes

Information about authorised persons and opening procedure:

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.2. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

VI.3. Additional information

VI.4. Procedures for review

VI.4.1. Review body

VI.4.2. Review procedure

VI.4.3. Service from which information about the review procedure may be obtained

VI.5. Date of dispatch of this notice

27.1.2016
