The framework agreement is for the benefit of other participating NHS bodies (whether acting individually, or on behalf of, or together as members of any consortia) along with any other non-NHS bodies which the participants deem necessary for the delivery of services or goods to NHS bodies, local authorities, other government departments or non-departmental public bodies charged with the delivery of healthcare or health related services.

Contracts awarded under a framework agreement may be awarded either: a) by application of the terms laid down in the framework agreement without reopening competition, or b) where not all the required terms of the proposed contracts are laid down in the framework agreement, by reopening competition between the economic operators which are parties to this framework agreement and which are capable of performing the proposed contract. Reopening of competition will be done in accordance with the procedure set out in Directive 2004/18/EC, Article 32.

Potential suppliers should note that, in accordance with the Government's policies on transparency, the Contracting Authority intends to publish the OJEU, ITO and the text of final contracts / framework agreements, subject to possible redactions at the discretion of the CMU (part of the Department of Health). Further information on transparency can be found at: <https://www.gov.uk/government/policies/buying-and-managing-government-goods-and-services-more-efficiently-and-effectively>
