National or federal agency/office

I.5. Main activity

Environment

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

FIMRAD 8, Weather Radars

Reference number: Dnro 44/230/2019

II.1.2. Main CPV code

38100000 Navigational and meteorological instruments

II.1.3. Type of contract

Supplies

II.1.4. Short description

Procurement of one (1) weather radar and one (1) optional weather radar

The Finnish Meteorological Institute (later FMI) has intention to replace one existing radar and to expand its weather radar network by one new radar site. Therefore FMI requests your tenders for one (1) C-band weather radar and for one (1) optional, additionally purchased, C-band weather radar and related services as detailed in this Invitation to Tender and its Appendices. Purchasing of the optional radar is dependent on the funding.

The contract period concerning the supply of goods shall start once the contract has been signed and end when the contractual duties have been performed.

II.1.6. Information about lots

This contract is divided into lots: no

II.1.7. Total value of the procurement

Value excluding VAT: 1 560 000,00 EUR

II.2. Description

II.2.3. Place of performance

NUTS code: FI Suomi / Finland

II.2.4. Description of the procurement

The purpose of this procurement is to purchase and to bring into service two identical weather radars on the conditions as refers below. The first radar will be installed to the Southern Finland to Vihti. It will replace existing Vantaa radar in the weather radar network of FMI. The second radar, which is optional, will tentatively be delivered to a storage space at Vantaa city in the Southern Finland. These new radars will operate as a part of the Finnish weather radar network and as a part of the international NORDRAD and OPERA weather radar networks.

II.2.5. Award criteria

Quality criterion - Name: Quality / Weighting: 25

Price - Weighting: 75

II.2.11. Information about options

Options: yes

Description of options:

The intention of FMI is to use the option to buy the second radar, as additional order, during 2022. FMI has independent right of decision whether the option to buy one (1) radar as an additional purchase will be used or not. If the option to buy the second radar is used, FMI will make an official and signed confirmation of this additional order to the supplier. The option for the second radar shall be open and valid for the period of 3 years from the signing of the contract for the first radar.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no
