I.2. Type of the contracting authority

Other: Bergen og Omland havnevesen (Bergen and Omland Porth Authority)

I.3. Main activity

Other: operation of harbour and quay facilities

I.4. Contract award on behalf of other contracting authorities

The contracting authority is purchasing on behalf of other contracting authorities: no

Section II: Object of the contract

II.1. Description

II.1.1. Title

Framework agreement electro services.

II.1.2. Type of contract and place of performance or delivery

Services

Service category No 1: Maintenance and repair services

Main site or place of performance: Bergen.

NUTS code NO051 Hordaland

II.1.3. Information about a framework agreement or a dynamic purchasing system (DPS)

The procurement involves the establishment of a framework agreement

II.1.4. Short description of the contract or purchase(s)

The contract is for maintenance, installation and repair services within the electro profession.

The framework agreement is primarily meant to cover the need for the best possible

maintenance of electrical building installations and electrical installations managed by Bergen og Omland havnevesen. This also includes the necessary periodical and annual inspections of installations.

Most of the properties make up approximately 45 buildings/properties situated in the central port area in Bergen, in addition to the port authority's building in Nøstegaten 30.

There can also be other types of assignments within the discipline. The contract does not include new installations or installations in new buildings.

The contract is for work as well as for parts and materials that are necessary for the execution. See annex 4a price form for information on materials.

The contracting authority would like, amongst other things, a total tender for the procurement and delivery of:

- Ongoing service; maintenance, repairs and/or replacement of existing plants or installations;
- Upgrades of electrical plants or installations;
- Annual inspection of fire alarm installations with inspection report;
- Periodic inspection of emergency lighting installations with inspection report;
- Internal control of electrical installations with inspection report;
- Termography service of electrical installations with inspection report;
- Annual inspection and insulation measurement (megging), i.e. inspect that there are no earth faults;
- Periodical internal inspection (approximately every fourth year);
- Engineering design for electrical installations.

Tenders shall be submitted for all parts of the procurement.

The contract will require that Norwegian tenderers are associated with a publicly certified apprenticeship scheme and that they regularly take in apprentices. These requirements will apply for the entire contract period. The contracting authority has the right, at any time during the contract period, to check that the requirements are met.

See the contract and specifications in part 2 for further information.

A framework agreement shall be signed with up to 1 — one — tenderer.

The framework agreement requires that wage and work terms, documentation and sanctions are in accordance with the regulations on wage and work terms in public contracts.

II.1.5. CPV code(s)

45310000 Electrical installation work, 31000000 Electrical machinery, apparatus, equipment and consumables; lighting, 50532000 Repair and maintenance services of electrical machinery, apparatus and associated equipment, 50710000 Repair and maintenance services of electrical and mechanical building installations, 50711000 Repair and maintenance services of electrical building installations, 65320000 Operation of electrical installations, 71321000 Engineering design services for mechanical and electrical installations for buildings

IV.1. Type of procedure

IV.1.1. Type of procedure

Open

IV.2. Award criteria

IV.2.1. Award criteria

Lowest price

IV.2.2. Information about electronic auction

IV.3. Administrative information

IV.3.1. File reference number attributed by the contracting authority

EØS 046-2015

IV.3.2. Previous publication concerning this procedure

Contract notice

Notice number in the OJ S: [2015/S 192-348921](#) of 3.10.2015

Section V: Award of contract

Contract No: 1

Lot No: 1

- Lot title: A framework agreement for the procurement of electrical services and materials

V.1. Date of conclusion of the contract

11.12.2015

V.2. Information about tenders

Number of tenders received: 7

Number of tenders received by electronic means: 7

V.3. Name and address of the contractor

Official name: LOS Elektro AS

National registration number: 978632378

Postal address: Hollundsdaalen

Town: Bremnes

Postal code: 5430

Country: Norway

E-mail: firmapost@los-elektro.no

Telephone: +47 53422100

V.4. Information on value of the contract/lot

Initial estimated total value of the contract/lot:

Value: 4 300 000 NOK

excluding VAT

Total value of the procurement:

excluding VAT

If annual or monthly value:

Number of years: 4
