The contracting authority is purchasing on behalf of other contracting authorities: no

**Section II: Object of the contract**

---

**II.1. Description**

**II.1.1. Title**

RMC05/13/14 — The provision of an infrastructure for the measurement of blood glucose at the point of care by non-laboratory staff, to Bolton NHS Foundation Trust.

**II.1.2. Type of contract and place of performance or delivery**

Supplies

A combination of these

Main site or place of performance: Royal Bolton Hospital, Minerva Road, Farnworth, Bolton, BL4 0JR.

NUTS code UKD32 Greater Manchester North

**II.1.3. Information about a framework agreement or a dynamic purchasing system (DPS)**

**II.1.4. Short description of the contract or purchase(s)**

Providers are required to provide options based on both a variable number of test strips and glucose meters.

Currently test strips are delivered to the hospital pharmacy store and issued to users from there.

Future options may include remote deliveries if the contract is extended beyond premises owned/managed by Bolton NHS Foundation Trust.

The scope of contract requires the provision of meters to measure ketones; and requires an electronic management system that interfaces to a diversity of analysers, typically used outside laboratory settings.

Although the majority of meters will be required to download results into the electronic management system; some will not.

Both types of meter and the test strips are required from the same provider.

The period of contract will be for 36 months with an option to extend for up to a further 24 months.

**II.1.5. CPV code(s)**

33124100 Diagnostic devices, 33694000 Diagnostic agents, 48000000 Software package and information systems
