**Section III: Legal, economic, financial and technical information**

---

**III.1. Conditions for participation**

**III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions:

Tax certificate, ref. separate documentation received in KGV (only applies to Norwegian tenderers).

— The tenderer must be registered in a company register, register own documentation requirements received in KGV (only applies to Norwegian tenderers, foreign companies must prove that the company is registered in a company register, professional register or a trade register).

Completed ESPD form.

### **III.1.2. Economic and financial standing**

List and brief description of selection criteria:

Tenderers must have sufficient economic and financial capacity to fulfil the contract.

Creditworthiness with no requirement for guarantees will be sufficient to meet the requirement.

Documentation requirement:

— a credit rating based on the most recent financial figures. The rating must be carried out by a credit rating company with a license to conduct this service. If a tenderer has valid reasons for not being able to provide the documentation requested by the contracting authority, the tenderer can prove his economic and financial position with any other document that the contracting authority deems suitable.

### **III.1.3. Technical and professional ability**

List and brief description of selection criteria:

The tenderer must have experience from comparable assignments, i.e. Assignment of equivalent scope and complexity that the contract's subcontract represent.

Documentation requirement

— description of up to three of the tenderer's most relevant/comparable assignments in the last 3 years. The description must include a statement of the assignment value, date and recipient (name, telephone number and email address). It is the tenderer's responsibility to confirm relevance through the description. The contractor may do this by including documentation on the skill or experience of the personnel that can be used for this project, including skills or experience that has been acquired while the personnel was in the service of another employer.

## **III.2. Conditions related to the contract**

### **III.2.3. Information about staff responsible for the performance of the contract**

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract
