Section IV: Procedure

IV.1. Type of procedure

IV.1.1. Type of procedure

Negotiated without a call for competition

Justification for the award of the contract without prior publication of a call for competition in the Official Journal of the European Union:

Directive 2004/18/EC

1) Justification for the choice of the negotiated procedure without prior publication of a contract notice in the OJEU in accordance with Directive 2004/18/EC

The works, supplies or services can be provided only by a particular economic operator for the following reason:

protection of exclusive rights, including intellectual property rights

This a requirement for the provision of the Spares Inclusive Overhaul and Post Design Services for the Gnome Engine Accessories, DNF143 Filter, IFS130 Fuel System, C1354 Starter Motor, AE4554 Flight Idle Stop Actuator, AE4562 Shut-off Cock Actuator to the Gnome Out of Service Date (OSD). It is considered that this contract can be placed using the non-competitive negotiated procedure in accordance with Regulation 16 of the Defence and Security Public Contracts Regulations 2011. This is for the reasons connected to the protection of exclusive rights as the designs and associated technical data belong to Goodrich Control Systems Ltd and such services cannot be provided without access to that information.
