### **Section IV: Procedure**

---

#### **IV.1. Description**

##### **IV.1.1. Type of procedure**

Award of a contract without prior publication of a call for competition in the Official Journal of the European Union in the cases listed below

- Extreme urgency brought about by events unforeseeable for the contracting authority and in accordance with the strict conditions stated in the directive

Explanation:

Según el informe técnico del Subdirector General de Centros Educativos e Infraestructuras de fecha 11 de enero de 2022 en el que se relacionan los contratos que finalizaron a fecha 31 de diciembre de 2021 y que está en tramitación el expediente 15027/2021 que tiene por objeto unificar los diferentes contratos de los servicios de transporte escolar y servir como herramienta de contratación de las nuevas rutas de transporte escolar que sean necesarias por las variaciones en la matrícula del alumnado beneficiario de este servicio. Como refleja el informe mencionado no es posible tramitar la contratación de dichos contratos mediante contratación menor, dado el volumen de trabajo que supondría y la insuficiencia de medios materiales y humanos para ello.

Visto que para garantizar la continuidad sin incidencias y facilitar el cumplimiento de las medidas higiénico-sanitarias derivadas de los planes de contingencia del COVID 19 de los centros educativos, es conveniente que las empresas que venían realizando el servicio, a fecha 23 de diciembre de 2021, continúen haciéndolo al inicio del periodo lectivo del año 2022. Estando en tramitación un Acuerdo Marco para la contratación de los servicios de transporte escolar, en el que previsiblemente no podrán adjudicarse contratos basados antes de la finalización del presente curso, se ha propuesto inicialmente esta emergencia hasta el último día lectivo del curso 2021-2022 (30 de junio de 2022).

Visto que para dar cumplimiento a la atribución de la Consejería de Educación y Cultura de garantizar el acceso a la educación básica al alumnado beneficiario de transporte escolar es necesaria la prestación del servicio por empresas que garanticen la prestación del mismo. A la vista de lo anterior, a la finalización de los contratos que se han estado ejecutado hasta 31 /12/2021, teniendo en cuenta los antecedentes ya expuestos, así como que el servicio no puede interrumpirse, ni esperar a que se resuelva el procedimiento de formalización del Acuerdo Marco, se produce un acontecimiento de excepcional importancia que demanda afrontar unas actuaciones administrativas inmediatas, absolutamente necesarias para evitar las consecuencias que la falta de prestación del servicio provocaría en toda la Comunidad Escolar, poniendo en grave peligro el acceso igualitario a la educación.

Considerando todo lo anterior, deben prestarse los mencionados servicios por el procedimiento de emergencia, para garantizar el acceso a la educación básica al alumnado beneficiario de transporte, por darse las circunstancias previstas en el artículo 120 de la Ley 9 /2017, de 8 de noviembre, de Contratos del Sector Público, y de conformidad con la propuesta de la Dirección General de Centros Educativos e Infraestructuras, en el sentido de que dichos servicios sean llevados a cabo por las empresas que propone y con efectos desde el día de inicio de prestación del servicio de transporte escolar, que es el 10 de enero de 2022 y hasta el último día lectivo del curso 2021-2022 (30 de junio de 2022).

### **VI.3. Additional information**

Visto el informe técnico del Subdirector General de Centros Educativos e Infraestructuras de fecha 11 de enero de 2022 en el que se relacionan los contratos que finalizaron a fecha 31 de diciembre de 2021 y que está en tramitación el expediente 15027/2021: "Acuerdo Marco para la contratación de servicios de transporte escolar de la consejería con competencias en materia de educación de la Comunidad Autónoma de la Región de Murcia", que tiene por objeto unificar los diferentes contratos de los servicios de transporte escolar y servir como herramienta de contratación de las nuevas rutas de transporte escolar que sean necesarias por las variaciones en la matrícula del alumnado beneficiario de este servicio.

Visto que como refleja el informe mencionado no es posible tramitar la contratación de dichos contratos mediante contratación menor, dado el volumen de trabajo que supondría y la insuficiencia de medios materiales y humanos para ello.

Visto que para garantizar la continuidad sin incidencias y facilitar el cumplimiento de las medidas higiénico-sanitarias derivadas de los planes de contingencia del COVID 19 de los centros educativos, es conveniente que las empresas que venían realizando el servicio, a fecha 23 de diciembre de 2021, continúen haciéndolo al inicio del periodo lectivo del año 2022. Estando en tramitación un Acuerdo Marco para la contratación de los servicios de transporte escolar, en el que previsiblemente no podrán adjudicarse contratos basados antes de la finalización del presente curso, se ha propuesto inicialmente esta emergencia hasta el último día lectivo del curso 2021-2022 (30 de junio de 2022).

Visto que para dar cumplimiento a la atribución de la Consejería de Educación y Cultura de garantizar el acceso a la educación básica al alumnado beneficiario de transporte escolar es necesaria la prestación del servicio por empresas que garanticen la prestación del mismo. A la vista de lo anterior, a la finalización de los contratos que se han estado ejecutado hasta 31 /12/2021, teniendo en cuenta los antecedentes ya expuestos, así como que el servicio no puede interrumpirse, ni esperar a que se resuelva el procedimiento de formalización del Acuerdo Marco, se produce un acontecimiento de excepcional importancia que demanda afrontar unas actuaciones administrativas inmediatas, absolutamente necesarias para evitar las consecuencias que la falta de prestación del servicio provocaría en toda la Comunidad Escolar, poniendo en grave peligro el acceso igualitario a la educación. Considerando todo lo anterior, deben prestarse los mencionados servicios por el procedimiento de emergencia, para garantizar el acceso a la educación básica al alumnado beneficiario de transporte, por darse las circunstancias previstas en el artículo 120 de la Ley 9 /2017, de 8 de noviembre, de Contratos del Sector Público, y de conformidad con la propuesta de la Dirección General de Centros Educativos e Infraestructuras, en el sentido de que dichos servicios sean llevados a cabo por las empresas que propone y con efectos desde el día de inicio de prestación del servicio de transporte escolar, que es el 10 de enero de 2022 y hasta el último día lectivo del curso 2021-2022 (30 de junio de 2022).
