**II.1.3. Type of contract**

Services

**II.1.4. Short description**

Tenders are requested for chemical analysis and related services for environmental and water surveys. These services constitute a remarkable part of GTK's survey activities. GTK will enter into cooperation agreements on the grounds of this purchasing procedure.

GTK has divided the needed services into two (2) different categories and one tenderer will be chosen separately in each category for the contract period.

Categories are:

Category A: Mineral soil, peat and sediment surveys

Category B: Water surveys

The contract period is two (2) years.

The contract period begins when the contract has been duly signed and is valid until all duties under the contract has been executed.

GTK reserves the right to extend the contract with two (2) optional one-year periods after the expiration of the original first contract period. In case of extension of the contract GTK will notify 6 months prior the expiration of the contract.

All other information will be provided in this request for tenders and its attachments.
