II.1.8. Lots

This contract is divided into lots: no

II.1.9. Information about variants

Variants will be accepted: no

II.2. Scope of the procurement

II.2.1. Total quantity or scope

The Contracting Authority intends to award of fully inclusive Response Maintenance Contract with optional planned works to approximately 5600 properties comprising of a variety of property types including general needs, sheltered and care homes' sectors and office accommodation across Northern Ireland.

Core Works to include:

- All trades response maintenance;
- Disabled Adaptations;
- Voids.

The Core Works have an estimated annual value of approximately GBP 2 million per annum. Optional Works which may be procured at the discretion of the Contracting Authority are set out below. There will be no guarantee as to the minimum value of works to be procured through this route:

- Cyclical Redecoration and Repairs;
- Planned Maintenance and Property Reinvestment;
- Communal Mechanical and Electrical;
- Other areas of work may also be included.

The Optional Works have an estimated annual value of approximately GBP 2 million per annum.

The contracting authority will consider the use of a schedule of rates and/or alternative payment mechanisms (e.g. fixed rate per property, fixed price per void) for the Contract. Details of the required payment mechanisms will be set out in the invitation to tender documentation.

Economic operators should also note, that during the Contract period, other Department for Social Development Registered Housing Associations in Northern Ireland may join the Contracting Authority by acceding to the Contract and require works to be provided to them under the Contract. For a list of all Registered Housing Associations that may potentially seek to use this Contract, economic operators should refer to the Department for Social Development website www.dsdni.gov.uk

The above stock of properties may be increased during the Contract period.

The total Contract period will be a maximum of 7 years. The initial Contract period will be 3 years (subject to performance reviews) with two possible extensions of two years each at the Contracting Authority's sole discretion.

Estimated value excluding VAT:

Range: between 14 000 000 and 33 000 000 GBP

II.2.2. Information about options

Options: yes

Description of options: The Contract will be for an initial period of 3 years and can be extended thereafter at the sole discretion of the Contracting Authority up to a further four years (i.e. two potential extensions of two years each). Therefore, the maximum period of the Contract is seven years. Throughout the duration of the Contract, it will be subject to regular monthly, quarterly and annual performance reviews and the continuation of the Contract at any time during its term will be dependent on satisfactory performance by the economic operator. The Contract will also contain a break provision which may be exercised by either party subject to giving the period of notice stipulated in the Contract.

II.2.3. Information about renewals

This contract is subject to renewal: yes

Number of possible renewals: 2

II.3. Duration of the contract or time limit for completion

Duration in months: 84 (from the award of the contract)

Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

Any deposits, bonds or guarantees or other forms of security required by the Contracting Authority will be set out in the tender documents.

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

As detailed in the tender documents.

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

Where economic operators intend to form a consortium they may be required to incorporate a company to form a special purpose vehicle. Economic operators forming a consortium will be expected to commit to joint and several liability.

The Contracting Authority may require collateral warranties, parent company guarantees and /or performance bonds, as applicable, to be entered into by other involved economic operators. The Contracting Authority may wish to explore, during the term of the Contract, the practicalities of developing a joint venture partnering arrangement with the economic operator. The joint venture arrangement may take the form of a company or a limited liability partnership in which the Contracting Authority and the economic operator each have an interest.

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: yes

Description of particular conditions: Details of any conditions will be set out in the tender documents. these may include conditions relating to environmental and social requirements.

III.2. Conditions for participation

IV.3.8. Conditions for opening of tenders

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.2. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

VI.3. Additional information

All documentation including the memorandum of information and prequalification questionnaires can be downloaded from <http://etenders.rand-associates.co.uk>. The cost of responding to the prequalification questionnaire and any subsequent invitation to tender and participation in the project will be borne solely by each economic operator participating. Any expenditure, work or effort undertaken prior to the contract award accordingly is at the sole risk of the economic operator participating in this procurement process. Economic Operators should note that Helm reserves the right to cancel this procurement process at any stage without reason or cost reimbursement.

All discussion and correspondence will be deemed strictly subject to contract until the formal contract is entered into. The formal contract will not be binding until it has been signed and dated by the duly authorised representatives of both parties.

VI.4. Procedures for review

VI.4.1. Review body

Official name: The High Court, Royal Courts of Justice

Postal address: Chichester Street

Town: Belfast

Postal code: BT1 3JF

Country: United Kingdom

VI.4.2. Review procedure

Precise information on deadline(s) for review procedures: The contracting authority will incorporate a standstill period at the point information on the award of the contract is communicated to tenderers. That notification will provide full information on the award decision. The standstill period, which will be for a minimum of 10 calendar days, provides time for unsuccessful tenderers to challenge the award decision before the contract is entered into. The Public Contracts Regulations 2006 (as amended) provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland).

VI.4.3. Service from which information about the review procedure may be obtained**VI.5. Date of dispatch of this notice**

4.2.2014
