VI.3. Additional information

Leidos Supply Ltd, a wholly owned subsidiary of Leidos Europe Ltd, is undertaking this procurement as a body governed by public law and as a subcontractor to Leidos Europe Ltd to meet a requirement of the UK Ministry of Defence pursuant to the Logistics Commodities and Services Transformation Delivery Partner Contract (LCS(T)/0001 dated 16.4.2015) between Leidos Europe Ltd and the UK Ministry of Defence.

Leidos considers that this contract may be suitable for economic operators that are small or medium enterprises (SMEs). Any selection of tenderers, however, will be based solely on the criteria set out for the procurement.

From 2.4.2014 the Government introduced its new Government Security Classifications Policy (GSC) to replace the current Government Protective Marking Scheme. A key aspect of this is the reduction in the number of security classifications used. All Potential Commodity Suppliers are encouraged to make themselves aware of the changes as it may impact on this Requirement. The link below to the Gov.uk website provides information on the new GSC.

<https://www.gov.uk/government/publications/government-security-classifications>

Leidos Supply Ltd reserves the right to amend any condition related to security of information to reflect any changes in national law or government policy. If any contract documents are accompanied by instructions on safeguarding classified information (e.g. a Security Aspects Letter).

Leidos Supply Ltd reserves the right to amend the terms of these instructions to reflect any changes in national law or government policy, whether in respect of the applicable protective marking scheme, specific protective markings given, the aspects to which any protective marking applies, or otherwise.

The procurement documents are available for unrestricted and full direct access, free of charge, at LSL eSourcing site (<https://esourcing.leidos-supply.uk>). Tenders or requests to participate must be submitted electronically via the above LSL eSourcing URL.

Suppliers need to be registered for LSL eSourcing via the above self-registration link to be able to participate in any procurement activity run by Leidos Supply, Ltd.

First time supplier registrants will be automatically given access to the above procurement documents once the registration application is approved.

If you have already registered please contact esourcing-support@leidos.com to request to be added to this tender opportunity.

All tender submissions for tenders raised within the Leidos Supply Ltd eSourcing solution must be made via the application, including all communications during the tender process which must be carried out through the application's 'messaging centre'.
