IV.1. Description

IV.1.1. Type of procedure

Award of a contract without prior publication of a call for competition in the Official Journal of the European Union in the cases listed below

- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

La prosecuzione del servizio non può che essere affidata al contraente originario, se non a costo di impossibilità tecniche nella realizzazione delle forniture e nell'esecuzione dei servizi, ed aggravii economici sproporzionati; l'eventuale affidamento a soggetto diverso, all'esito di un nuovo confronto concorrenziale, comporterebbe inevitabilmente una caduta di qualità del servizio quale oggi reso, anche in considerazione degli attuali SLA di prestazioni e della gestione congiunta di criticità da parte di Sigma con IBM ed Almaviva, ormai consolidata, ed altresì in considerazione dell'evidenza che ogni eventuale diverso soggetto dovrebbe rivolgersi alla stessa Sigma per l'approvvigionamento di rilevanti componenti e l'esecuzione di puntuali prestazioni soggette a SLA in tal modo non rispettabili, con necessario incremento della spesa da parte di Trenitalia;
