Type of contract

Supplies

II.1.4. Short description

Iarnród Éireann (IÉ) are seeking expressions of interest to replace their current CCTV poles in the Dublin Suburban Area. A total quantity of 24 poles are required.

Due to the congested urban environment the poles are required to drop the camera from the operating position to ground level vertically to allow for maintenance without the need for an elevated working platform. A hinged based system will not be suitable due to congestion.

The poles will be installed in areas within 50 m of the coast.

The poles must be made from stainless steel.

This tender is for supply and delivery only with a 2 day instructional period upon contract award in Dublin.
