I.2. Main activity

Electricity

I.3. Contract award on behalf of other contracting entities

Section II: Object of the contract

II.1. Description

II.1.1. Title attributed to the contract by the contracting entity

T306 - 110KV Cable Circuit Design, Supply, Installation and Test (for Tamnamore Phase 2)
Second Notice.

II.1.2. Type of contract and place of performance or delivery

Works

Design and execution

Main site or place of performance: Northern Ireland.

NUTS code UKN0 Northern Ireland

II.1.3. Information about a framework agreement or a dynamic purchasing system

The notice involves a public contract

II.1.4. Information about framework agreement

II.1.5. Short description of the contract or purchase(s)

Northern Ireland Electricity Limited has a requirement for the construction of seven 110kV cable circuits connecting from the Tamnamore substation to remote locations and the relocation/part extension of an existing circuit. The respective cable ratings are 200MVA and 144MVA. The work will include (but is not limited to) the following:

Design of 110kV cables.

Construction of trenching and duct civil works associated with 110kV cable circuits.

Design, manufacture, supply / delivery, installation, test and commissioning of the 110kV cable circuit installations including surge arresters, SVLs, cable terminations, joints, bonding systems, enabling works, and steel support structures.

Remote end outdoor cable sealing ends and surge arrestors to be supplied. These are to be erected on aerial platform attached to the terminal towers. These platforms will be designed by a third party. A design interface to be included.

Further information in relation to the quantity or scope is detailed in T306 Project Information Memorandum & Pre-Qualification Questionnaire available from the Contracting Entity on request.

II.1.6. CPV code(s)

31320000 Power distribution cables, 45232220 Substation construction work, 71320000 Engineering design services, 65300000 Electricity distribution and related services, 45230000 Construction work for pipelines, communication and power lines, for highways, roads, airfields and railways; flatwork

II.1.7. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes

II.1.8. Information about lots

This contract is divided into lots: no

II.1.9. Information about variants

Variants will be accepted: no

II.2. Scope of the procurement

II.2.1. Total quantity or scope

Further information related to the quantity or scope of this contract can be found within T306 Procurement Information Memorandum and Pre-Qualification Questionnaire, which is available from the Contracting Entity on request. See Annex A.II for details on how to request documentation.

II.2.2. Information about options

Options: yes

Description of options: Further information related to the options of this contract can be found within T306 Procurement Information Memorandum and Pre-Qualification Questionnaire, which is available from the Contracting Entity on request. See Annex A.II for details on how to request documentation.

II.2.3. Information about renewals

II.3. Duration of the contract or time limit for completion

Start 1.10.2012 Completion 1.3.2015

Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

Information relating to this contract can be found within T306 Procurement Information Memorandum and Pre-Qualification Questionnaire, which is available from the Contracting Entity on request.

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

Information relating to this contract can be found within T306 Procurement Information Memorandum and Pre-Qualification Questionnaire, which is available from the Contracting Entity on request.

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: no

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

Failure to submit the PQQ or failure to provide all of the requested information may result in exclusion from the process. Applicant documentation may be obtained as set out in Annex A.II.

III.2.2. Economic and financial ability

List and brief description of conditions: Applicants must provide the information as requested within the Contracting Entity's Procurement Information Memorandum and Pre-Qualification Questionnaire document.

III.2.3. Technical and professional ability

List and brief description of conditions: Applicants must provide the information as requested within the Contracting Entity's Procurement Information Memorandum and Pre-Qualification Questionnaire document.

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts

III.3.1. Information about a particular profession

Execution of the service is reserved to a particular profession: no

III.3.2. Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract: no

Section IV: Procedure

IV.1. Type of procedure

IV.1.1. Type of procedure

Negotiated

Some candidates have already been selected (if appropriate under certain types of negotiated procedures): no

IV.2. Award criteria

IV.2.1. Award criteria

The most economically advantageous tender in terms of the criteria stated in the specifications or in the invitation to tender or to negotiate

IV.2.2. Information about electronic auction

An electronic auction will be used: no

IV.3. Administrative information

IV.3.1. File reference number attributed by the contracting entity

T306

IV.3.2. Previous publication concerning this procedure

Other previous publications

Notice number in the OJ S: [2011/S 206-336226](#) of 26.10.2011

IV.3.3. Conditions for obtaining specifications and additional documents

(except for a DPS)

Time limit for receipt of requests for documents or for accessing documents: 20.2.2012 - 12:00

Payable documents: no

IV.3.4. Time limit for receipt of tenders or requests to participate

20.2.2012 - 15:00

IV.3.5. Languages in which tenders or requests to participate may be submitted

English.

IV.3.6. Minimum time frame during which the tenderer must maintain the tender

IV.3.7. Conditions for opening of tenders

Persons authorised to be present at the opening of tenders: no

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.2. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

VI.3. Additional information

The Contracting Entity shall not be held responsible for the making of payment for any costs or expenses whatsoever incurred by a company registering their interest in participating in the tender process or incurred by a company in the preparation and submission of a tender or participating in the tender procedure.

II.2.1) Total quantity or scope:

Range: between 8,000,00.00 and 10,000,00.00 GBP.

VI.4. Procedures for review

VI.4.1. Review body

VI.4.2. Review procedure

VI.4.3. Service from which information about the review procedure may be obtained

VI.5. Date of dispatch of this notice

3.2.2012
