II.1. Scope of the procurement**II.1.1. Title**

Global Framework Agreement For The Supply Of ICT equipment and Software.

II.1.2. Main CPV code

30200000 Computer equipment and supplies

II.1.3. Type of contract

Supplies

II.1.4. Short description

NRC work environment requires effective ICT Equipment and Software solutions. The bidder must be able to understand the essence of our activities. NRC is looking for a partnership with

the supplier through the new contract. Our aim is to enable countries to purchase directly from the supplier within the framework agreement. In addition, the contract will frame the purchasing processes, the service level of agreement, logistical support and prices. NRC requires bidders to prove the ability in delivering an optimum support to the mentioned areas. Please note, that through a framework agreement, NRC is not committing to purchase exclusively against the agreement. If in individual deployments, the use of local suppliers makes more sense for whatever reason (including lead-time, cost and duties), NRC may choose to purchase outside the framework agreement (e.g. through a local supplier). The contract duration shall be for 2 years with the possibility of an additional 1-year extension.
