Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Award of a contract without prior publication of a call for competition in the Official Journal of the European Union in the cases listed below

- No tenders or no suitable tenders/requests to participate in response to open procedure
- New works/services, constituting a repetition of existing works/services and ordered in accordance with the strict conditions stated in the directive

Explanation:

Failure of the open call for tenders. The contracting authority may use the negotiated procedure without prior publication of a contract notice, regardless of the estimated value of the contract if no tenders have been submitted in response to an open procedure or restricted procedure after that procedure has been completed, provided that the original procurement documents are not substantially altered.

Here, the original procurement documents are transferred to a negotiated procedure, the tender specifications and financial proposal remain unchanged.

IV.1.3. Information about a framework agreement or a dynamic purchasing system

IV.1.8. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: no

IV.2. Administrative information

IV.2.8. Information about termination of dynamic purchasing system

IV.2.9. Information about termination of call for competition in the form of a prior information notice
