III.2.3. Technical and professional ability

List and brief description of conditions:

(1) A statement of the candidate's average annual number of staff and managerial staff over the previous 3 years.

(2) Details of the educational and professional qualifications of their managerial staff; and those of the person(s) who would be responsible for providing the services or carrying out the work or works under the contract;

(3) All candidates will be required to provide certification from an independent body attesting conformity to environmental management standards in accordance with the Community Eco-Management and Audit Scheme (EMAS); or the European standard BS EN ISO 14001.

(4) All candidates will be required to provide certification drawn up by an independent body attesting the compliance of the economic operator with quality assurance standards based on the relevant European standards.

(5) Samples, descriptions and/or photographs, the authenticity of which must be certified if the contracting authority so requests.

(6) A check may be carried out by the contracting authority or by a competent official body of the State in which the candidate is established, to verify the technical capacity of the

candidate; and if relevant, on the candidates study and research facilities and quality control measures.

(7) A statement of the candidate's technical facilities; measures for ensuring quality; and their study and research facilities.

(8) An indication of the proportion of the contract which the services provider intends possibly to subcontract.

(9) A statement of the technicians or technical services available to the candidate to carry out the work under the contract; or be involved in the production of goods or the provision of services under the contract; particularly those responsible for quality control, whether or not they are independent of the candidate.

(10) A statement of the tools, plant or technical equipment available to the service provider or contractor for carrying out the contract.

(11) A list of works carried out over the past 5 years, detailing the value of the consideration received; when and where the work or works were carried out; and whether they were carried out according to the rules of the trade or profession and properly completed.
