### **II.1.3. Information about framework agreement**

### **II.1.4. Information about framework agreement**

### **II.1.5. Short description of the contract or purchase(s)**

The Norwegian Defence Estates Agency invites tenderers to submit a tender in a negotiated procedure with a prequalification for the engineering design services for and the construction of a new fire training field at Ørland main air station (ØHF).

The contest is for a procurement above the EEA threshold determined in the regulations on defence and security procurements (FOSA) § 2-2, and in accordance with the rules in these regulations, parts I and II.

### **II.1.6. CPV code(s)**

45216200 Construction work for military buildings and installations, 35111200 Firefighting materials, 45343100 Fireproofing work, 75251110 Fire-prevention services, 34152000 Training simulators, 45223000 Structures construction work

### **II.1.7. Information about subcontracting**

### **II.1.8. Lots**

This contract is divided into lots: no

### **II.1.9. Information about variants**

Variants will be accepted: no

## **II.2. Scope of the procurement**

### **II.2.1. Total quantity or scope**

The fire training field is a circular fire training field with a radius equal to 75 m located in the southern area of Ørland main air station.

The fire training field is mainly organised into 6 function areas:

Circular concrete collection plate. Equipment for simulating different aeroplane fires is assembled here.

Asphalted traffic area for manoeuvring and parking large turn-out vehicles and lead vehicles. This area will also be used for rescue exercises on scrapped vehicles and for the collection of polluted extinguishing water, fire foam and rain water.

Shingle space for the placement of smoke diving installations, training containers and steel containers for storing equipment. 'Cold' exercises are also carried out here on scrapped planes, fighter jets and possibly helicopters.

Ramparts shall protect the surroundings from splashes and drainage, as well as to prevent aerosoles being carried on the wind to areas outside the exercise area.

2 accesses, 1 with direct access to aeroplane operative areas and 1 separate from aeroplane operative areas.

Tank park for LPG supply.

Estimated value excluding VAT: 100 000 000 NOK

### **II.2.2. Information about options**

Options: no

### **II.2.3. Information about renewals**

This contract is subject to renewal: no

## **II.3. Duration of the contract or time limit for completion**

Start 1.9.2016. Completion 31.8.2017

**III.1. Conditions related to the contract**

**III.1.1. Deposits and guarantees required**

**III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them**

**III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded**

The tenderer shall be a legally registered company.

**III.1.4. Other particular conditions to which the performance of the contract is subject, in particular with regard to security of supply and security of information**

The procurement process will be subject to security restrictions.

If the tender documentation is unclassified, it will be available on Doffin in accordance with the normal procedure. Further information will be given if the tender documentation has to be classified. All personnel who shall have access to the base/construction site must be authorised for access to Restricted.

**III.1.5. Information about security clearance**

**III.2. Conditions for participation**

**III.2.1. Personal situation**

**Criteria regarding the personal situation of economic operators (that may lead to their exclusion) including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions: See the qualification documentation.

**III.2.2. Economic and financial ability**

**Criteria regarding the economic and financial standing of economic operators (that may lead to their exclusion)**

List and brief description of conditions: The tenderer shall be creditworthy. The tenderer must have the financial capacity to carry out the contract.

**III.2.3. Technical and/or professional capacity**

**Criteria regarding the technical and/or professional ability of economic operators (that may lead to their exclusion)**

List and brief description of conditions:

Tenderers (as a company) shall have good experience and competence with turnkey contracts of the equivalent size and complexity.

**III.2.4. Information about reserved contracts**

**III.3. Conditions specific to services contracts**

**III.3.1. Information about a particular profession**

Execution of the service is reserved to a particular profession: no

**III.3.2. Information about staff responsible for the performance of the contract**

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract: no

## Section IV: Procedure

---

### IV.1. Type of procedure

#### IV.1.1. Type of procedure

Negotiated

#### IV.1.2. Information about the limits on the number of candidates to be invited

Envisaged minimum number 3 and Maximum number 8

Objective criteria for choosing the limited number of candidates: The Norwegian Defence Estates Agency intends to invite 3-8 tenderers to submit a tender, provided that there are a sufficient number of qualified tenderers. The Norwegian Defence Estates Agency will select the tenderers that are best suited to meet the requirements for the technical and professional qualifications.

#### IV.1.3. Information about reduction of the number of solutions or tenders during negotiation or dialogue

Recourse to staged procedure to gradually reduce the number of solutions to be discussed or tenders to be negotiated yes

### IV.2. Award criteria

#### IV.2.1. Award criteria

The most economically advantageous tender in terms of Price is not the only award criterion and all criteria are stated only in the procurement documents

#### IV.2.2. Information about electronic auction

An electronic auction has been used: no

### IV.3. Administrative information

#### IV.3.1. File reference number attributed by the contracting authority

852070

#### IV.3.2. Previous publication concerning this procedure

no

#### IV.3.3. Conditions for obtaining specifications and additional documents or descriptive document

#### IV.3.4. Time limit for receipt of tenders or requests to participate

8.3.2016 - 12:00

#### IV.3.5. Estimated date of dispatch of invitations to tender or to participate to selected candidates

#### IV.3.6. Languages in which tenders or requests to participate may be submitted

Other Norwegian.

## Section VI: Complementary information

---

### VI.1. Information about recurrence

This is a recurrent procurement: no

### VI.2. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:  
no

**VI.3. Additional information**

The Norwegian Defence Estates Agency has been given the task of constructing a new base for fighter jets in Norway. In short, this assignment involves:

‘A main base for fighter jets shall be established at Ørland, and an advanced operation base at Evenes. The establishment of the fighter jet base includes updated and facilitated EBA for the weapon systems fighter jet, air protection and base defence’.

Forsvarsdepartementet [the Ministry of Defence] has given the Norwegian Defence Estates Agency the task of establishing the necessary facilities for the establishment of the F-35 fighter jet base at Ørland and an advanced operation base at Evenes.

**VI.4. Procedures for review**

**VI.4.1. Review body**

**VI.4.2. Review procedure**

**VI.4.3. Service from which information about the review procedure may be obtained**

**VI.5. Date of dispatch of this notice**

8.2.2016
