Works

Design and execution

Main site or place of performance: Oslo.

NUTS code NO Norge

II.1.3. Information about framework agreement

II.1.4. Information about framework agreement

II.1.5. Short description of the contract or purchase(s)

The Norwegian Defence Estates Agency invites tenderers to submit tender offers in a competition with negotiations and pre-qualification in connection with engineering design and construction of FLO Supply Building F-35 at Ørland Main Air Base (ØHF).

The contest concerns a procurement above the EEA threshold determined in the Regulation on defence and security procurements (FOSA) § 2-2, and following the rules in this Regulations' part I and II.

II.1.6. CPV code(s)

45216200 Construction work for military buildings and installations, 45000000 Construction work, 45200000 Works for complete or part construction and civil engineering work, 45223000 Structures construction work, 45300000 Building installation work, 45400000 Building completion work

II.1.7. Information about subcontracting

II.1.8. Lots

This contract is divided into lots: no

II.1.9. Information about variants

Variants will be accepted: no

II.2. Scope of the procurement

II.2.1. Total quantity or scope

The supply facility for F-35 is located in the operative area north west of the main gate. The facility consists of a supply building with associated external facilities. The possibility of expansion for a future combined supply facility for the entire base has been taken into consideration in the placement of the facility. The building shall generally function as a supply warehouse for the F-35 programme, with associated shipping, administration and staff rooms. See the qualification documentation/tender documentation for further information.

Estimated value excluding VAT:

Range: between 60 000 000 and 100 000 000 NOK

II.2.2. Information about options

Options: no

II.2.3. Information about renewals

This contract is subject to renewal: no

II.3. Duration of the contract or time limit for completion

Start 1.6.2016. Completion 1.8.2017

Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1.

Deposits and guarantees required

The contractor shall meet the requirements of Norwegian legislation with regard to health, safety and the environment.

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

The tenderer shall be a legally registered company.

III.1.4. Other particular conditions to which the performance of the contract is subject, in particular with regard to security of supply and security of information

The procurement process will be subject to security restrictions.

If the tender documentation is unclassified, it will be available on Doffin according to normal procedures. If the tender documentation must be classified, further information will be provided. All personnel who have access to the base/building site must be authorised for Restricted access.

III.1.5. Information about security clearance

III.2. Conditions for participation

III.2.1. Personal situation

III.2.2. Economic and financial ability

Criteria regarding the economic and financial standing of economic operators (that may lead to their exclusion)

List and brief description of conditions: The tenderer shall be creditworthy. The tenderer must have the financial capacity to carry out the contract.

III.2.3. Technical and/or professional capacity

Criteria regarding the technical and/or professional ability of economic operators (that may lead to their exclusion)

List and brief description of conditions:

The tenderer (as a company) shall have good experience and competence with turnkey contracts of equivalent size and complexity.

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts

III.3.1. Information about a particular profession

Execution of the service is reserved to a particular profession: no

III.3.2. Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract: no

Section IV: Procedure

IV.1. Type of procedure

IV.1.1. Type of procedure

Negotiated

IV.1.2. Information about the limits on the number of candidates to be invited

Envisaged minimum number 3 and Maximum number 8

Objective criteria for choosing the limited number of candidates: The Norwegian Defence Estates Agency intends to invite between 3 to 8 tenderers who will be given the opportunity to submit a tender offer, as long as there is a sufficient number of qualified tenderers. The Norwegian Defence Estates Agency will select the tenderers that best meet the requirements for technical and professional qualifications.

IV.1.3. Information about reduction of the number of solutions or tenders during negotiation or dialogue

Recourse to staged procedure to gradually reduce the number of solutions to be discussed or tenders to be negotiated yes

IV.2. Award criteria

IV.2.1. Award criteria

The most economically advantageous tender in terms of Price is not the only award criterion and all criteria are stated only in the procurement documents

IV.2.2. Information about electronic auction

An electronic auction has been used: no

IV.3. Administrative information

IV.3.1. File reference number attributed by the contracting authority

852072

IV.3.2. Previous publication concerning this procedure

no

IV.3.3. Conditions for obtaining specifications and additional documents or descriptive document

IV.3.4. Time limit for receipt of tenders or requests to participate

8.3.2016 - 12:00

IV.3.5. Estimated date of dispatch of invitations to tender or to participate to selected candidates

IV.3.6. Languages in which tenders or requests to participate may be submitted

Other Norwegian.

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.2. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds: no

VI.3. Additional information

The Norwegian Defence Estates Agency has been given the task of constructing a new base for fighter jets in Norway. In short, this assignment involves:

'A main base for fighter jets shall be established at Ørland, and an advanced operation base at Evenes. The establishment of the fighter jet base includes updated and facilitated EBA for the weapon systems fighter jet, air protection and base defence.'

Forsvarsdepartementet [the Ministry of Defence] has given the Norwegian Defence Estates Agency the task of establishing the necessary facilities for the establishment of the F-35 fighter jet base at Ørland and an advanced operation base at Evenes.

VI.4. Procedures for review

VI.4.1. Review body

VI.4.2. Review procedure

VI.4.3. Service from which information about the review procedure may be obtained

VI.5. Date of dispatch of this notice

8.2.2016
