Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: no

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: (1) Company registration certificate.

(2) Value added tax certificate (national requirement).

(3) Company tax certificate (national requirement).

(4) Self-declaration in compliance with Appendix 2 (HSE) of the Norwegian procurement regulations (national requirement).

III.2.2. Economic and financial ability

List and brief description of conditions: The awarding authority has requirements for the service provider's financial and economic position. Good solidity is required to fulfil the assignment.

The service provider (i.e. the company that gives a tender) shall enclose a credit rating from a certified credit institution/company. The credit rating shall be based on the last known accounting figures. The credit rating shall be a so called rating and it shall include a credit rating, part judgement and historical rating.

Minimum level(s) of standards possibly required: The credit rating shall not be worse than A (credit worthy) or equivalent if another rating is used (based on numbers). Tenders from service providers with a lower rating than A or equivalent (i.e. not credit worthy or credit worthy with security) will not be assessed.

III.2.3. Technical and professional ability

List and brief description of conditions:

(1) A list of the principal deliveries effected, or main services provided, by the company, in the past three years, with the values, dates and recipients (for supply and service contracts).

(2) A statement of the company's health, environment and safety policy.

(3) A statement of the quality assurance/quality control system operated by the company.

It is a prerequisite that the service provider has a system for quality assurance, clear ethical guidelines and a thought out environment profile.

Quality assurance and the environment policy are to be documented with relevant certificates or a self-declaration. Ethical guidelines are to be enclosed. Any internet address with a detailed description of the quality assurance system and/or environment management system is to be given.

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts

III.3.1. Information about a particular profession

III.3.2. Information about staff responsible for the performance of the contract
