VI.4.2. Review procedure

Precise information on deadline(s) for review procedures: Appeals must be received by the Complaints Board for Public Procurement (Klagenævnet for Udbud) within 6 months from the day following the publication of the contracting entity's notice in the Official Journal of the European Union that the entity has entered into a contract, or, in the case of a framework agreement, within 12 months from the entity informed the tenderers about who the contracting entity will contract with.

The contracting entity must hold a mandatory standstill period of 10 or 15 calendar days from the day following the day on which the contracting authority forwarded a notice to the tenderers regarding the contract award. If the notification has been made by electronic means (e-mail), the contracting authority shall at the earliest enter into a contract after the expiry of a standstill period of 10 calendar days. If the notification has been made by mail, the contracting authority shall at the earliest enter into the contract after 15 calendar days. If the appeal is received by the Complaints Board for Public Procurement before the expiry of the standstill period, the appeal will automatically have temporary suspensive effect until the Complaints Board for Public Procurement has taken a decision on whether the appeal should have suspensive effect or not.

At the latest concurrently with submission of an appeal to the Complaints Board for Public Procurement, the complainant must inform the contracting authority of the alleged infringement and whether the appeal is to be referred to the Board.
