---

**II.1. Description****II.1.1. Title**

Study on the changing pedagogical landscape: new ways of teaching and learning and their implications for higher education policy.

**II.1.2. Type of contract and place of performance or delivery**

Services

Service category No 8: Research and development services

Main site or place of performance: Contractor's premises.

NUTS code

**II.1.3. Information about a framework agreement or a dynamic purchasing system (DPS)****II.1.4. Short description of the contract or purchase(s)**

The overall objective of this study is to examine to what extent government strategies and

higher education regulatory and accreditation, funding, quality assurance, assessment and certification frameworks support or hinder new modes of learning, and in particular increased use of technology in the teaching and learning process. The research should further formulate conclusions and recommendations on how these systems — the framework conditions for higher education — can best be tailored to support new modes of teaching and learning.

**II.1.5. CPV code(s)**

80000000 Education and training services
