List and brief description of conditions: Legally established company: To qualify, service providers must be a legally established company. Service providers shall submit a Company Registration Certificate as documentation. The Company Registration Certificate must not be older than 6 months, calculated from the day the Contracting Authority receives the certificate. Foreign companies must submit proof that the company is registered in a professional register or company register as prescribed in the legislation of the country where the service provider is established.

Payment of tax and duties: In order to qualify, service providers must be up to date with payment of taxes and duties. The service provider must document this and within the tender deadline expiry must submit tax certificates as documentation that the taxes and duties are paid. Tax Certificate (RF-1244 Determined by the Norwegian Tax Directorate) must be issued by the treasurer/municipal treasurer where the service provider has their main office and by the tax collector in the relevant county. The tax certificate must not be more than 6 months old, from the day the certificates are available for the Contracting Authority. Foreign service providers must provide certificates or other statutory documentation from equivalent authorities to the Norwegian authorities. If the service provider shall utilise sub-suppliers, the service provider must request equivalent documentation be provided from these sub-suppliers (not to be included in the tender).

Health, Safety and Environment HSE: To be qualified, service providers must work

systematically to fulfil the requirement of the Health, Safety and Environment legislation. Service providers must, before the tender deadline expires, submit a self-declaration in accordance with the Regulations on Public Procurement as documentation that the service provider fulfils, or with any awarding of contract will fulfil statutory requirements in Norway for Health, Safety and Environment. Confirmation with a self-declaration on the attached form. Wage and working conditions in public contracts. To be eligible, service providers are obliged to have employees who have wages and working conditions that meet the provisions of regulations of: 2008-02-08 No. 112 about wages and working conditions in public contracts. Confirmation with a self-declaration on the attached form.

III.2.2. Economic and financial ability

List and brief description of conditions: Economy: The service provider must document that the company has the financial implementation ability by submitting an official Annual Financial Statements for the last two years, 2012 and 2013 including the board's and auditor's reports. Relevant key figures will be considered. In addition, the Contracting Authority will collect ratings from AAA Solditet.

Liability Insurance: Liability insurance shall have a minimum coverage in accordance with NS 8407:2011, point .8.2. A copy of insurance policy is to be attached as documentation.

III.2.3. Technical and professional ability

List and brief description of conditions:

Approval according to the Planning and Building Act: To be qualified, the service provider documents that the service provider's company and the service provider's sub-contractors have central approval for UTF and PRO in action classe 3 for Demolition and environmental works. If the service provider's business and subcontractors and sub consultants do not have national approval, the service provider may substantiate in some other way that the corresponding local approval can be achieved. Copy of previously awarded responsibility can be attached as supporting documentation. Foreign supplier must document equivalent expertise so that local approval can be achieved.

Language: At the service provider's organisation, at least the project manager, site manager and SHA function must be Norwegian speaking. Documented by a self-declaration. See also section 3.4 in the Administrative regulations regarding language in the project.
