- No tenders or no suitable tenders/requests to participate in response to open procedure

Explanation:

The SPCME Delivery Team, part of the United Kingdom Ministry of Defence ("MOD"), has let a new contract with Anritsu EMEA Ltd in order to procure 6 Anritsu Spectrum Analysers with the option to procure additional units. These analysers are required for reasons of technical interoperability and interchangeability.

This contract was placed using the negotiated procedure without prior publication of a Contract Notice pursuant to Article 32(2)(a) of Directive 2014/24/EU (regulation 32(2)(a) of the Public Contracts Regulations 2015) on the ground that no suitable tenders were submitted in response to an open procedure. A call for competition was published in the OJEU on 7.11.2018 under Notice [2018/S 216-493472](#), to which no suitable tenders were returned.
