#### **II.1.4. Short description**

The invitation to tender concerns a framework agreement for 'carpentry services'. The agreement period is two years with an option for a further two years extension (2+1+1 year). The Setedals Railway mainly consists of older buildings, facilities, and material. It is therefore necessary to establish a framework agreement for the execution of various carpentry services related to buildings, avalanche cover, rolling stock, etc. executed by hand tools according to antiquarian principles. Carpentry service must primarily be carried out on the stretch from Grovane to Røyknes, but the service could also be required at the museum's other locations according to need and as agreed. The same material quality, wood, dimensions, etc. must be as used in the original buildings / structures.
