Section II: Object of the contract

II.1. Description

II.1.1.

Title

Framework agreement for the delivery of traffic signs, work notification equipment, marking products and products for the outside environment.

II.1.2. Type of contract and place of performance or delivery

Supplies

Purchase

Main site or place of performance: Sandnes and Stavanger municipalities.

NUTS code NO043 Rogaland

II.1.3. Information about a framework agreement or a dynamic purchasing system (DPS)

The procurement involves the establishment of a framework agreement

II.1.4. Short description of the contract or purchase(s)

Sandnes and Stavanger municipalities shall enter into a framework agreement for the delivery of:

1. Traffic signs including the delivery of signs in accordance with Vegdirektoratet's handbook 050 'the normal sign'. The signs are wanted for standard set up material as well as in brackets for hills, posts and wall assembly. Set up material including the delivery of sign fixings, fittings, clamps, holders and foundations for the set up of fixed signs in addition to work notification. Sign posts shall be delivered in lengths of 6 m, material thickness 3 mm and they shall be galvanised or powder coated.

Profiling signs as well as information signs for use in, among other things, site areas and car parks, which are not covered by the Vegdirektoratet's handbook 050.

2. Work notification equipment including the delivery of material for the notification of work on public roads. The products that the municipalities currently use are, among other things, barrier planks and trestles, traffic cones, barrier tape, lane dividers, safety posts with and without built-in warning lights, warning lights, safety fences, traffic controlled mobile traffic light signals, barrier vehicles, warning panels with and without built-in warning lights and folding signs in accordance with the current edition of the Vegdirektoratet's handbook 051.

Fences and barriers including the delivery of protection, barrier, section and staircase railings with prefabricated buried foundations, vehicle barriers of various lengths and locking possibilities for triangular, cylinder and padlock as well as swinging and lifting barriers of various lengths.

3. Marking products including the delivery of marking spray and paint, prefabricated thermoplastic and plastic articles.

4. Outside environment/other.

II.1.5. CPV code(s)

34992200 Road signs, 34922100 Road markings, 34928460 Road cones, 44811000 Road paint, 31521310 Warning lights, 34928420 Road-danger lamps, 34928472 Sign posts, 44423400 Signs and related items
