OJ S 31/2015 13/02/2015
Contract award notice
Supplies

Directive 2004/18/EC

Section I: Contracting authority

I.1. Name and addresses

Official name: Helse Møre og Romsdal HF
Postal address: Postboks 1600
Town: Ålesund
Postal code: 6026
Country: Norway
For the attention of: Per Stavnesli
E-mail: per.stavnesli@helse-mr.no
Telephone: +47 71121236

I.2. Type of the contracting authority

Body governed by public law

I.3. Main activity

Health

I.4. Contract award on behalf of other contracting authorities

The contracting authority is purchasing on behalf of other contracting authorities: no

Section II: Object of the contract

II.1. Description

II.1.1. Title

Procurement 2014 — 3517 Analysis equipment w/ consumables, Blood Bank, Molde Hospital.

II.1.2. Type of contract and place of performance or delivery

Supplies

Purchase

Main site or place of performance: Molde Hospital.

NUTS code NO053 Møre og Romsdal

II.1.3. Information about a framework agreement or a dynamic purchasing system (DPS)

The procurement involves the establishment of a framework agreement

II.1.4. Short description of the contract or purchase(s)

The tender is for the procurement of fully automatic analysis equipment and it is for a 4 year framework agreement + 1 + 1 + 1 year for the necessary consumables in accordance with the specifications for the Medical Biochemistry Department, Blood Bank Section, Molde. Total time of 7 years is equal to the lifetime that is the basis for choice of tenderer.

The equipment will be used for pre-transfusion examinations and other blood type serology investigations by the Molde blood bank. The main applications are is ABO/Rh(D) typing and antibody screening in routine samples from patients as well as ABO/Rh(D) typing and

genotyping of blood donors.

In addition, tenders are sought for the necessary equipment for manual back-up for use in the event of breakdown of the instrument.

The procurement of similar equipment for the blood bank in Kristiansund is also under consideration. We want pricing for an option for Kristiansund Hospital. This option is not included in the evaluation.

We furthermore note that the instrument must be 'on-line', i.e. connected with bidirectional communication to our blood bank computer system, ProSang, or to our laboratory system (NSL). Prices are obtained from Tieto Enator for 50 000 NOK in order to establish the protocol that enables other instruments to communicate with the same functionality as today. This replacement cost will be included in calculating the lifetime cost of the instrument being sought. Alternatively, the tenderer includes this cost in its offer, which in practice means that the tenderer will be invoiced this cost later. Do note that HMR HF has no say about the amount of this 'replacement cost', as the basis of investment and consumption in 4 (+ 1 + 1 + 1) years constitute a negligible proportion of total costs.

The delivery must be inclusive of all components/accessories, removal, assembly/installation and commissioning so that it functions as a whole based on the needs and requirements described.

Provision of the required training for all personnel who work in the affected units must be included.

A site survey will be arranged if needed. Contact Per Stavnesli on per.stavnesli@helse-mr.no if this is wanted.

II.1.5. CPV code(s)

33696500 Laboratory reagents, 33696200 Blood-testing reagents, 38432000 Analysis apparatus, 38434500 Biochemical analysers, 38434540 Biomedical equipment, 85111810 Blood analysis services

II.1.6. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: no

II.2. Total value of the contract/lot

II.2.1. Total value of the contract/lot

Section IV: Procedure

IV.1. Type of procedure

IV.1.1. Type of procedure

Open

IV.2. Award criteria

IV.2.1. Award criteria

The most economically advantageous tender in terms of

1. Lifetime costs. Weighting 40
2. Quality characteristics. Weighting 60

IV.2.2. Information about electronic auction

An electronic auction has been used: no

IV.3. Administrative information

IV.3.1. File reference number attributed by the contracting authority

2014/3517

IV.3.2. Previous publication concerning this procedure

Contract notice

Notice number in the OJ S: [2014/S 126-225639](#) of 4.7.2014

Section V: Award of contract

Lot title: Procurement 2014 — 3517 Analysis equipment w/ consumables, Blood Bank, Molde Hospital

V.1. Date of conclusion of the contract

6.2.2015

V.2. Information about tenders

Number of tenders received by electronic means: 5

V.3. Name and address of the contractor

Official name: Johnson & Johnson AB

Postal address: Boks 144

Town: Lysaker

Postal code: 1325

Country: Norway

Telephone: +47 66981030

Fax: +47 66981777

V.4. Information on value of the contract/lot

V.5. Information about subcontracting

The contract is likely to be subcontracted: no

Section VI: Complementary information

VI.1. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

VI.2. Additional information

VI.3. Procedures for review

VI.3.1. Review body

VI.3.2. Review procedure

VI.3.3. Service from which information about the review procedure may be obtained

VI.4. Date of dispatch of this notice

11.2.2015
