VI.4.3. Review procedure

Precise information on deadline(s) for review procedures:

This authority will incorporate a minimum of 10 calendar days standstill period at the point where the intention to award the contract is communicated to tenderers. This period allows unsuccessful tenderers to seek further debriefing from the contracting authority before the contract is entered into. If an appeal regarding the award of contract has not been successfully resolved the Public Contracts (Scotland) Regulations 2015 provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rule to take action in the Sheriff Court or Court of Session. Any such action must be brought promptly (generally within 3

months). Where a contract has not been entered into the Court may order the setting aside of the award decision or order the authority to amend any document and may award damages. If the contract has been entered into the Court may only award damages.
