Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Norwegian tenderers shall enclose a tax certificate for taxes and VAT. The tax certificate shall not be older than 6 months calculated from the deadline for submitting a request for participation or a tender.

Qualification requirement:

The tenderer shall be enrolled in a trade register or a relevant professional register in the state which the tenderer is established.

Documentation requirement:

Foreign tenderers: a statement that shows the tenderer's registration in a trade register or relevant professional register in the country which the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Qualification requirement:

The tenderer must have adequate economic and financial standing that ensures the possible performance of the contract. Creditworthiness without a requirement for security will be enough to meet the requirement.

Minimum level(s) of standards possibly required:

Documentation requirement:

A credit rating that is based upon the last known accounting figures. The rating must be performed by a credit information agency with a licence for such activities.

If the tenderer has a justifiable basis not to produce the documentation demanded by the contracting authority, it may document its economic and financial standing by presenting any other document that the contracting authority deem fit.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

1) Qualification requirement:

The tenderer must have a good and well-functioning quality assurance and management system for the performance that shall be delivered.

2) Qualification requirement:

The tenderer must have an environmental management system.

Minimum level(s) of standards possibly required:

1) Documentation requirement:

The tenderer shall provide documentation of its quality assurance and management system.

The following documentation will be accepted:

- certificate for the company's quality assurance and management system issued by an independent body that verifies that the tenderer fulfils quality assurance standards as stated in ISO 9001 or equivalent; or
- a description that as a minimum includes the company's procedures/routines for:
 - deviation and complaint processing;
 - approval of subcontractors;
 - the process from the receipt and registration of orders, until delivery to the customer has occurred.

2) Documentation requirement:

The tenderer shall provide documentation of its environmental management system. The following documentation will be accepted:

- valid certificates issued by an independent body (for instance ISO 14001, EMAS, Eco-Lighthouse or equivalent); or
- a description of the tenderer's own environmental management system. The description shall as a minimum include environmental policy and objectives.
