**II.1.4. Short description**

The competition is for a Framework Agreement for the delivery of editorial services, text and journalist services in various communication channels.

The Contracting Authority would like to join up with a tenderer(s) who is used to working with knowledge-intensive environments and who can adapt design and language to different platforms and media.

Some of the assignments are connected to DOGA's permanent activities and can be planned a long time in advance, whilst others have more of an ad-hoc characteristic, e.g., chronicles or short comments on current events.

The Contracting Authority would also like help with media placement and distribution, and the tenderer must have the competence and systems for this.
