II.2.3. Place of performance

NUTS code: NO091 Vestfold og Telemark

Main site or place of performance: Bø

II.2.4. Description of the procurement

The purpose of the new shared cloud-based library system is to find user-friendly digital solutions. The solutions will be involved in maintaining cooperation between the libraries in West Telemark, will have a user-friendly interface for the target groups, and will be rigged for current and future needs. The basis for this announcement is that the current library system is being phased out by the current tenderer.

The new library system must cover the needs of all employees in the libraries. Users of the new library system will be the employees of the libraries, teachers, students and other citizens. The participating municipalities have approx. 14,000 inhabitants combined, and the type of library varies from municipality to municipality.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents
