Supplies

II.1.4. Short description

The Trusts is seeking a reliable, cost effective and value for money for the supply of disposables for the conduct of cardiopulmonary bypass including oxygenator, cardioplegia heat exchanger and customer specified pre-connected tubing pack. Tenders are invited for the supply of disposables for use during cardiopulmonary bypass to include a range of optimised adult, small adult/paediatric, infant, neonatal and micro oxygenator and pre-assembled tubing pack including cardioplegia to meet the requirements of this specification for the Royal Brompton and Harefield NHS Foundation Trust.

II.1.5. Estimated total value

II.1.6. Information about lots

This contract is divided into lots: yes

Tenders may be submitted for all lots

The contracting authority reserves the right to award contracts combining the following lots or groups of lots:

The tender is structured in to 2 lots:

Lot 1: Royal Brompton Hospital site; and

Lot 2: Harefield Hospital site.

A tenderer may bid for one lot or both lots.

The Trust may award to a single provider for both lots or award to multiple providers. The Trust will ensure that the provider(s) appointed to this contract provide comprehensive and innovative solutions and proactively assist the Trust to achieve efficiency savings through improved ways of working without impacting on patient care. The Trust reserves the right to appoint any number of suppliers it deems fit and to vary the evaluation process to support continued competition, to avoid unnecessary bidding costs, and to adhere to subsequent technical or legal guidance, or for other reasons at its sole discretion.

33140000 Medical consumables

II.2.3. Place of performance

NUTS code: UK United Kingdom

NUTS code: UKI London

II.2.4. Description of the procurement

The Royal Brompton and Harefield NHS Foundation Trust — our 2 hospitals — (Royal Brompton and Harefield) have prestigious histories as independent institutions specialising in the treatment and diagnosis of heart and lung conditions. Excelling in specialist patient care since 1843. More than 2 500 people work across both sites, and each member of the team is dedicated to providing specialist, cutting-edge care. Alongside day-to-day care, our specialists conduct invaluable research. From this, we publish findings and make evidence-based decisions to ensure we're offering the best care to today's patients and future generations. The Trusts is seeking a reliable, cost effective and value for money for the supply of disposables for the conduct of cardiopulmonary bypass including oxygenator, cardioplegia heat exchanger and customer specified pre-connected tubing pack.

The procurement documents are published on the ProContract portal which can be accessed through the weblink: www.lppsourcing.org Project reference — DN457980.

This project is identified on the ProContract portal by the title: Supply of Disposables for the Conduct of Cardiopulmonary Bypass including Oxygenator, Cardioplegia Heat Exchanger and Customer Specified Pre-connected Tubing Pack.
