Internet address(es):
Main address: <https://permalink.mercell.com/171855451.aspx>
Address of the buyer profile: <http://www.ife.no/en/>

I.3. Communication

The procurement documents are available for unrestricted and full direct access, free of charge, at: <https://permalink.mercell.com/171855451.aspx>
Additional information can be obtained from the abovementioned address
Tenders or requests to participate must be submitted electronically via: <https://permalink.mercell.com/171855451.aspx>

I.4. Type of the contracting authority

Other type: Foundation

I.5. Main activity

Other activity: Nuclear decommissioning

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Invitation to a prequalification - procurement of solutions for the temporary storage of used atomic fuel. Tender contest with negotiations.

II.1.2. Main CPV code

09340000 Nuclear fuels

II.1.3. Type of contract

Supplies

II.1.4. Short description

The Institutt for Energiteknikk ('IFE') invites tenderers to a contest with negotiations for the procurement of equipment and solutions for the temporary storage of used nuclear fuel. The aim of the procurement is to give IFE solutions and equipment for the temporary storage of used nuclear fuel through a framework agreement with an individual tenderer consisting of a preliminary project for concept design, and seven service categories that cover different sides of the storage solution.

Click here: <https://permalink.mercell.com/171855451.aspx>.

II.1.5. Estimated total value

Value excluding VAT: 500 000 000,00 NOK

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

45000000 Construction work, 45100000 Site preparation work, 90521000 Radioactive waste treatment services, 90521200 Radioactive waste storage services, 90521400 Transport of radioactive waste

II.2.3. Place of performance

NUTS code: NO08 Oslo og Viken

II.2.4. Description of the procurement

The contest concerns a joint procurement above the EEA threshold value determined in the Defence and Security Procurements Regulations (FOSA) section 2-2, and following the rules in parts I and II of the regulations. The tender notice is announced in the DOFFIN and TED databases.

The aim of the procurement is to give IFE solutions and equipment for the temporary storage of used nuclear fuel (called the 'storage solution') through a framework agreement with one tenderer consisting of a preliminary project (concept design) and seven service categories that cover different aspects of the storage solution (the 'framework agreement').

The tenderer must ensure a cost efficient and secure storage solution that permits subsequent removal and transport of the used atomic fuel ('SNF') to a treatment facility.

The complete tender documentation will be sent with an invitation to submit a tender. Only tenderers that are invited to submit a tender will receive the complete tender documentation.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

Value excluding VAT: 500 000 000,00 NOK

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Start: 01/08/2023 End: 01/08/2038

This contract is subject to renewal: no

II.2.10. Information about variants

Variants will be accepted: no

II.2.11.

Information about options

Options: no

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Information on the limitation on the number of tenderers that are invited to submit tenders:
Planned lower limit 3 / upper limit 4.

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:
See the attached qualification documentation.

List and brief description of selection criteria:
See the attached qualification documentation.
Minimum level(s) of standards possibly required:
See the attached qualification documentation.

III.1.3. Technical and professional ability

List and brief description of selection criteria:
See the attached qualification documentation.
Minimum level(s) of standards possibly required:
See the attached qualification documentation.

III.2. Conditions related to the contract

III.2.2. Contract performance conditions

See the attached qualification documentation.

Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Competitive procedure with negotiation

IV.1.3. Information about a framework agreement or a dynamic purchasing system

IV.1.4. Information about reduction of the number of solutions or tenders during negotiation or dialogue

Recourse to staged procedure to gradually reduce the number of solutions to be discussed or tenders to be negotiated

IV.1.5. Information about negotiation

The contracting authority reserves the right to award the contract on the basis of the initial tenders without conducting negotiations

IV.1.8. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes

IV.2. Administrative information

IV.2.2. Time limit for receipt of tenders or requests to participate

Date: 14/03/2022 Local time: 12:00

IV.2.3. Estimated date of dispatch of invitations to tender or to participate to selected candidates

Date: 21/04/2022

IV.2.4. Languages in which tenders or requests to participate may be submitted

English

IV.2.6. Minimum time frame during which the tenderer must maintain the tender

Duration in months: 12 (from the date stated for receipt of tender)

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.2. Information about electronic workflows

Electronic invoicing will be accepted

Electronic payment will be used

VI.3. Additional information

VI.4. Procedures for review

VI.4.1. Review body

Official name: Nedre Romerike tingrett

Town: Lillestrøm

Country: Norway

VI.5. Date of dispatch of this notice

27/01/2022
