**II.1.4. Short description of the contract or purchase(s)**

Statens innkrevingsentral (SI) (Norwegian National Collection Agency) has procured and Identity Access Management (IAM)- solution based on Oracle Access Management Suite Plus as the tool, in order to handle authorisation and authentication for our internet solution, as well as federation of the ID-port.

The procurement focuses on establishing a framework agreement with a supplier who can the offer necessary expertise for development, upgrading and operation of the portfolio. SI plans technical renewal including upgrading to the latest version of the portfolio as an activity. The current technical solution makes the said work time consuming, ineffective and unnecessarily complex.
