II.1.4. Short description

The procurement concerns a framework agreement for service and maintenance work on the Institute of Marine Research's (hereafter called the contracting authority) research vessels in both Bergen inner harbour and Tromsø harbour.

Two framework agreements/sub-contracts will be signed for service and maintenance work on the contracting authority's vessels.

One framework agreement will be signed for vessels in Bergen inner harbour, and one framework agreement for vessels in Tromsø harbour.

Tenderers can choose to submit a tender for either only Bergen inner harbour, only Tromsø harbour, or for both alternatives. It is important that the tenderer's tender clearly states which parts of the contract the tender is for. Tenderers must submit a tender for the correct sub-contract/framework agreement, and submit two tenders if they have a tender for both sub-contracts/framework agreements.

See the tender documentation and under each individual sub-contract/framework agreement for further information.
