Education

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Sauland new school K401 — Electrical work.

Reference number: 17/13

II.1.2. Main CPV code

45000000 Construction work

II.1.3. Type of contract

Works

II.1.4. Short description

The scope and purpose of the procurement

Hjartdal municipality invites tenderers to a tender contest for the construction of Sauland new school.

This contest is for contract K401 — Electrical work.

The initiative consists of a new building that will house both a multi-purpose hall and the new school for 5th — 10th years. The new building is to be located on the east side of the existing school site.

The contracting authority would like to draw particular attention to the fact that there will not be room for changes once the project is underway as the municipality's finances are overstretched. The offered sum will therefore be fixed for the work. Political approved is required before the start of the project.

See part 2, the Description, for further information.

II.1.5. Estimated total value

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.3. Place of performance

NUTS code: NO034 Telemark

II.2.4. Description of the procurement

The scope and purpose of the procurement

Hjartdal municipality invites tenderers to a tender contest for the construction of Sauland new school.

This contest is for contract K401 — Electrical work.

The initiative consists of a new building that will house both a multi-purpose hall and the new school for 5th — 10th years. The new building is to be located on the east side of the existing school site.

The contracting authority would like to draw particular attention to the fact that there will not be room for changes once the project is underway as the municipality's finances are overstretched. The offered sum will therefore be fixed for the work. Political approved is required before the start of the project.

Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

(ESPD: Part II A.e) Certificates for Tax and VAT.

The tenderer shall have settled conditions in relation to payment of taxes and VAT.

Documentation: A certificate showing paid VAT, taxes and social security contributions is required. The certificate shall be issued by the competent authority in the country where the tenderer is established (the Norwegian certificate for tax and VAT is common and can be ordered from altinn.no, former RF-1244) in accordance with the laws and regulations in the country of origin. The certificate must not be more than 6 months from the deadline for receipt of tenders.

The contracting authority is not allowed to request the certificate if he has already received it, in accordance with the regulations § 17-1(4). If you have submitted a tax certificate and it is still valid at the tender submission deadline for this contest, you are not obliged to submit a certificate now. If this is the case, stated when and to who the certificate was previously submitted. You can, however, enclose the certificate voluntarily if you want.

(ESPD: Part IV B.58-3) Other economic and financial requirements: Economic and financial position.

Requirements regarding the tenderer's economic and financial position: The financial capacity to fulfil the contract is required.

Documentation: The Contracting Authority will assess finances through the company and accounting information system Proff Forvalt (www.forvalt.no). Tenderers are asked to submit other information they believe is relevant. The contracting Authority reserves the right to obtain supplementary information about the tenderer's finances.

(ESPD: Part IV B.58-4) The tenderer's technical/professional qualifications

Good experience from equivalent assignments/deliveries is required. This means assignments of corresponding nature, complexity, degree of difficulty and extent.

Documentation requirement: An overview of the tenderer's most important, relevant contracts, including information on the type of project, contract form, the role in the reference project, the project's value, date, recipient (name, telephone number and e-mail address). The Contracting Authority reserves the right to contact the references.

III.1.2. Economic and financial standing
