IV.1. Description

IV.1.1. Type of procedure

Award of a contract without prior publication of a call for competition in the Official Journal of the European Union in the cases listed below

- The procurement falls outside the scope of application of the directive

Explanation:

Southampton City Clinical Commissioning Group Board has recommended that a direct award to Dorset Healthcare University Foundation Trust, the existing provider following a competitive procurement in 2013 is in the best interest of meeting patient needs, improving quality of care, and maximising potential efficiencies within the system. This direct award will satisfy patient needs and provide stability during significant service expansion and development of an integrated IAPT model for Southampton. The direct award will have a positive impact by

allowing commissioners to review the evaluation and outcomes from NHS England funded 'early implementer' sites.
