II.2. Scope of the procurement

II.2.1. Total quantity or scope

The contract is to provide a refuse and recycling waste collection service within the borough of South Ribble. South Ribble Borough Council (SRBC) has approximately 48,000 properties and has a population of approximately 107,000 residents.

It is anticipated that the signing of the Preston, South Ribble and Lancashire City Deal in 2013 will lead to improved road networks, business expansion and the building of new houses. This may, over the contract period, have the effect of increasing the volumes and/or values included in this notice, which are estimated only, based on current contract requirements.

SRBC covers an area of 44 square miles and has the advantage of a centralised depot in Leyland (offered on a peppercorn rent to the incoming contractor) and a purpose built disposal site, operated by Lancashire County Council, also situated within the boundary of the council.

The principle refuse and recycling activities include delivery of an alternate weekly refuse and recycling collection service to all properties within the borough (approximately 48,000). The contract will be for collections and will include delivery to a disposal site approved by SRBC.

Recycling services will include the collection of glass/cans/plastic bottles/paper/card and textiles. The service will also consist of a mixed garden/ food waste collection service; this scheme is offered to approximately 42,000 non terraced properties.

The contract will also include clinical waste collections, bulky item collection service and a trade waste collection service managed by the council.

The Contract will be for an initial contract period of 7 years with the option to extend for a further 7 years.

The estimated contract value of £30800000 includes for the full 14 years potential contract period, including the period of optional extension and is based on current contract requirements.
