VI.3. Additional information

This is Tube Lines Limited's last call for competition i.e., this notice is a call for competition in accordance with Directive 2004/17/EC. It is not intended that any further call for competition be made although Tube Lines Limited reserves the right to place further calls at its sole discretion. Interested parties should also note:

Tube Lines Limited's Framework Agreement terms and conditions for the Supply of Services will apply. Full details will be included in the Invitation to Tender document.

The contract and any matters, including the disputes, arising out of it will be subject to English Law and the exclusive jurisdiction of the English Courts.

Tube Lines Limited does not bind itself to accept the lowest or any tender and further reserves the right to award part or the whole of this tender.

This is a request for expressions of interest only, pre-qualification documents are to be issued to all parties who express an interest.

Registration of interest in this project by any party does not guarantee inclusion of the party on the tender enquiry list. Tube Lines Limited shall select candidates to receive invitations to tender in accordance with objective criteria as detailed in IV.2.1 of this Notice and in the invitation to tender documents.

Tube Lines Limited reserves the right to select those candidates with whom it wishes to negotiate. This will be done on an objective basis according to objective criteria and rules laid down by Tube Lines Limited.

Tube Lines Limited reserves the right to disqualify any candidate which:

- provides information or confirmations which later prove to be untrue or incorrect; or
- does not supply the information required by this notice or Pre-Qualification Questionnaire; or
- contravenes the criteria detailed in Regulation 26 of the Utilities Contracts Regulations 2006.

This contract and any matters, including the disputes, arising out of it will be subject to English Law and the exclusive jurisdiction of the English Courts.

The UK government has announced its commitment to greater transparency; accordingly Tube Lines reserves the right to publish its tender documents, contracts and data from invoices received. In doing so Tube Lines may at its absolute discretion take account of the exemptions that would be available under the Freedom of Information Act 2000 and Environmental Information Regulations 2004.

Prior to contract award Tube Lines will incorporate a minimum ten day standstill period at the point information on the award of the contract is communicated to the tenderers. Any framework will not be entered into during this standstill period. Prior to this period Tube Lines will provide unsuccessful bidders with the identity of the winning bid(s). Requests for future debriefing and appeals must be made in accordance with the Utilities Contract Regulations 2006.

The Utilities Contract Regulations 2006 (as amended) provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland).

Any contract(s) awarded as a result of this exercise will be open for use by other members of the Transport for London organisation.

VI.4. Procedures for review

VI.4.1. Review body

VI.4.2. Review procedure

VI.4.3. Service from which information about the review procedure may be obtained

VI.5. Date of dispatch of this notice

17.2.2014
