Section II: Object

II.1. Scope of the procurement**II.1.1. Title**

Preform — IOF — E_066_252233 SchMel-KauAnj

Reference number: E_066_252233 SchMel-KauAnj

II.1.2. Main CPV code

42990000 Miscellaneous special-purpose machinery

II.1.3. Type of contract

Supplies

II.1.4. Short description

The Fraunhofer Institute for Applied Optics and Precision Engineering (IOF in Jena, Germany) plans to acquire a device to measure the refractive index (RI) distribution of glass fiber preforms.

The system should automatically measure the RI of different preforms, as specified below. A complete, robust and compact system with internal control, measurement and calculation of RI is pursued.

Please provide a detailed quotation with explanations and prices for each position and option. Information on more advanced machines is desired.

II.1.5. Estimated total value

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.3. Place of performance

NUTS code: DEG03 Jena, Kreisfreie Stadt

Main site or place of performance: 07745 Jena.

II.2.4. Description of the procurement

The Fraunhofer Institute for Applied Optics and Precision Engineering (IOF in Jena, Germany) plans to acquire a device to measure the refractive index (RI) distribution of glass fiber preforms.

The system should automatically measure the RI of different preforms, as specified below.

A complete, robust and compact system with internal control, measurement and calculation of RI is pursued.

Please provide a detailed quotation with explanations and prices for each position and option. Information on more advanced machines is desired.

English, German

IV.2.6. Minimum time frame during which the tenderer must maintain the tender
Tender must be valid until: 30/04/2021

IV.2.7. Conditions for opening of tenders
Date: 04/03/2021 Local time: 10:30

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.3. Additional information

— Request of documents — available at: The award documents can be retrieved Exclusively through the award portal of the German e-Vergabe at www.deutsche-evergabe.de. With the tender submission, contenders are also subject to the provisions regarding unsuccessful tenders (§134 GWB [German Act Against Restraints of Competition]). Questions or remarks from the tenderer must be sent, in English only, exclusively via e-mail to the contact point named under No. I.1. As far as relevant, responses to the questions or remarks of the tenderer shall also be sent to all other tenderers. Pursuant to Section 9 Par. 3 S. 2 VgV (German public procurement regulation), the contract notice and the award documents are available to you at the German eVergabe with or without registration. Please note that registration is required for requests to participate, tender submissions and tenderer questions. We therefore recommend early registration, also in order to receive any tenderer information; you otherwise bear the risk of possible tender exclusion.

VI.4. Procedures for review

VI.4.1. Review body

Official name: Vergabekammer des Bundes beim Bundeskartellamt
Postal address: Villemombler Straße 76
Town: Bonn
Postal code: 53123
Country: Germany

VI.4.3. Review procedure

Precise information on deadline(s) for review procedures:
A request for review is inadmissible if more than 15 calendar days have passed since the receipt of the notification from the ordering party indicating a lack of willingness to help with the objection (§ 160 Par. 3 Clause 1 No. 4 GWB <German Act Against Restraints of Competition>). A request for review is additionally inadmissible if the contract has been awarded before the Vergabekammer <procurement review authority> has informed the ordering party of the request for review (§§ 168 Par. 2 Clause 1, 169 Par. 1 GWB). The award of the contract is possible 15 calendar days after the dispatch of the tenderer information pursuant to § 134 Par. 1 GWB. If the information is sent electronically or via fax, this time

period is reduced to ten calendar days (§ 134 Par. 2 GWB). The time period begins on the day after the dispatch of the information by the ordering party; the day on which it is received at the concerned tenderer and applicant is not relevant. The admissibility of a request for review furthermore presupposes that a complaint has been made to the ordering party with regard to the asserted procurement violations within 10 days after knowledge was obtained of it (§ 160 Par. 3 Clause 1 No 1 GWB). Complaints regarding violations of procurement rules that are apparent on the basis of the announcement must be made to the ordering party before the expiration of the time period named in the announcement for the application or for the tendering (§ 160 Par. 3 Clause 1 No 1 GWB). Complaints regarding violations of procurement rules that do not become apparent until appearing in the award documents must be made to the ordering party no later than by the expiration of the time period for the application or for the tendering (§ 160 Par. 3 Clause 1 No 1 GWB).

VI.4.4. Service from which information about the review procedure may be obtained
