The procurement is related to a project and/or programme financed by European Union funds:  
no

### **II.2.14. Additional information**

Véhicules propres de catégorie M1 - 2 véhicules 100 % électriques BEV

## **Section IV: Procedure**

---

### **IV.1. Description**

#### **IV.1.1. Type of procedure**

Award of a contract without prior publication of a call for competition in the Official Journal of the European Union in the cases listed below

- The procurement falls outside the scope of application of the directive

Explanation:

Aucune offre n'a été réceptionnée pour les lots 4,6,7 et 8 de la procédure ouverte réf.2200426 . En invoquant l'article 64(2)a) de la loi sur les marchés publics, le Département de la mobilité et des transports a recouru à la procédure négociée sans publication préalable après consultation de la Commission des Soumissions. A noter encore que le relancement d'une procédure ouverte pour les lots infructueux précités ci-avant risquerait de mettre en péril la livraison des véhicules avant la clôture de l'exercice budgétaire 2022 comme le secteur automobile est fortement marqué par la pénurie des semi-conducteurs au niveau mondial et la situation logistique dégradante de sorte qu'un allongement important des délais de livraison en est à constater.

#### **IV.1.3. Information about a framework agreement or a dynamic purchasing system**

#### **IV.1.8. Information about the Government Procurement Agreement (GPA)**

The procurement is covered by the Government Procurement Agreement: no

### **IV.2. Administrative information**

#### **IV.2.8. Information about termination of dynamic purchasing system**

#### **IV.2.9. Information about termination of call for competition in the form of a prior information notice**
