

Belgium-Brussels: Security works, projects and studies for European Commission buildings in Luxembourg, Grand Duchy of Luxembourg, and Strasbourg, France

OJ S 37/2015 21/02/2015

Contract notice

Services

Directive 2004/18/EC

Section I: Contracting authority

I.1. Name and addresses

Official name: European Commission, Directorate-General for Human Resources and Security, Directorate 'Shared Resource Services — Finance and Internal Control'

Postal address: Office SC 11 6/28

Town: Brussels

Postal code: 1049

Country: Belgium

E-mail: hr-contrats-marches@ec.europa.eu

Additional information can be obtained from:

the abovementioned address

Specifications and additional documents (including documents for competitive dialogue and a dynamic purchasing system) can be obtained from:

the abovementioned address

Tenders or requests to participate must be submitted: the abovementioned address

I.2. Type of the contracting authority

European institution/agency or international organisation

I.3. Main activity

General public services

I.4. Contract award on behalf of other contracting authorities

The contracting authority is purchasing on behalf of other contracting authorities: no

Section II: Object of the contract

II.1. Description**II.1.1. Title attributed to the contract by the contracting authority**

Security works, projects and studies for European Commission buildings in Luxembourg, Grand Duchy of Luxembourg, and Strasbourg, France.

II.1.2. Type of contract and place of performance or delivery

Services

NUTS code

II.1.3. Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

II.1.4. Information about framework agreement

Framework agreement with a single operator

Duration of the framework agreement

Duration in months: 48

Estimated total value of purchases for the entire duration of the framework agreement

Estimated value excluding VAT: 2 828 000 EUR

II.1.5. Short description of the contract or purchase(s)

Security works, projects and studies for European Commission buildings in the Grand Duchy of Luxembourg and in France, Strasbourg.

In accordance with Article 134(1)(f) and (3) of Commission Delegated Regulation (EU) No 1268 /2012 of 29.10.2012 on the rules of application of Regulation (EU, Euratom) No 966/2012 of the European Parliament and of the Council on the financial rules applicable to the general budget of the Union, the contracting authority may use the negotiated procedure for awarding contracts consisting in the repetition of services similar to those entrusted to the economic operator awarded the initial contract. This procedure can only be applied during the performance of the initial contract and for a maximum period of 3 years following contract signature.

II.1.6. CPV code(s)

45312000 Alarm system and antenna installation work

II.1.7. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: no

II.1.8. Lots

This contract is divided into lots: yes

Tenders may be submitted for one or more lots

II.1.9. Information about variants

Variants will be accepted: no

II.2. Scope of the procurement

II.2.1. Total quantity or scope

The volume of services per lot, in terms of hours for the whole contract and for its entire 4-year duration, is estimated for each lot as follows:

Lot 1: Famos/FM access-control network and anti-intrusion systems:

— lot 1: estimated number of hours: 6 500.

Lot 2: Kaba Exos access-control network and anti-intrusion systems:

— lot 2: estimated number of hours: 4 500.

Lot 3: video surveillance network systems managed and operated by proprietary software belonging to Dedicated Micros:

— lot 3: estimated number of hours: 500.

Lot 4: video surveillance network systems managed and operated by proprietary software belonging to Dallmeier Electronic GmbH & Co. KG:

— lot 4: estimated number of hours: 1 000.

Lot 5: digital video surveillance network systems managed and operated by proprietary software belonging to SeeTec AG:

— lot 5: estimated number of hours: 1 000.

Lot 6: digital video surveillance network systems managed and operated by proprietary software belonging to Alnet Systems Inc.:

— lot 6: estimated number of hours: 1 500.

Lot 7: VHF analogue and digital communication network systems and conceptual studies on IT and VHF analogue and digital radiocommunication networks:

— lot 7: estimated number of hours: 1 200.

Lot 8: consultancy, external expertise, audits in the field of security/safety:

— lot 8: estimated number of days: 100.

This information regarding the contract's volume is given for information purposes only, and is not in any way binding on the contracting authority.

II.2.2. Information about options

Options: no

II.2.3. Information about renewals

This contract is subject to renewal: no

II.3. Duration of the contract or time limit for completion

Duration in months: 48 (from the award of the contract)

Information about lots

Lot No: 1

Lot title: Famos/FM access-control network and anti-intrusion systems managed and operated by proprietary software belonging to BFC Building & Facility Center GmbH; Eschborner Straße 4, 61476 Kronberg, Germany

1) Short description

— Installation of software specific to the Famos/FM-Crypto application on servers and management appliances/'controllers', made available by the contracting authority,
— installation, assembly, dismantling, connection, modification (Cenelec, VDE, ETSI, ISO /IEC) of access-control equipment, e.g. badge readers, locking systems, panic buttons, active /passive detectors, infrared/ultra-son, antennas and emitters, 'controllers', electronic key cabinets, management appliances, sirens, inverters (uninterruptible power supply (UPS) and static UPS, etc.), and the integration thereof into the Famos/FM-Crypto system as well as into the dedicated IT networks,
— definition of interfaces, configuration and programming of control modules compatible with the Famos/FM-Crypto system,
— cabling for AC and DC current supply, very low voltage (VLV) and/or low voltage (LV), in the distribution boxes and in the vicinity of access-control installations,
— upon works acceptance, specified on an order form, the contractor must hand over the detailed 'as-build' plans of the concluded installation to the contracting authority.
Place of application of this lot: Grand Duchy of Luxembourg and Strasbourg (France 67).

2) CPV code(s)

45312000 Alarm system and antenna installation work

3) Quantity or scope

Estimation: 6 500 hours.

4) Indication about different time frame or duration

Duration in months: 48 (from the award of the contract)

5) Additional information about lots

Lot No: 2

Lot title: Kaba Exos access-control network and anti-intrusion systems managed and operated by proprietary software belonging to Kaba SA Total Access Suisse Postfach, 8620 Wetzikon, Switzerland

1) Short description

— Installation of software specific to the Kaba Exos 9300 application on servers and

management appliances/'controllers', made available by the contracting authority,
— installation, assembly, dismantling, connection, modification (Cenelec, VDE, ETSI, ISO /IEC) of access-control equipment (e.g. badge readers, locking systems, panic buttons, active /passive detectors, infrared/ultra-son, antennas and emitters, 'controllers', electronic key cabinets, management appliances, sirens, UPS and static UPS inverters, etc.), and the integration thereof into the Kaba Exos 9300 system as well as into the dedicated IT networks,
— installation, assembly, dismantling, connection, modification according to professional standards (Cenelec, VDE, ETSI, ISO/IEC), of mechanical-type access-control equipment (e.g. turnstile, air-lock entry systems, tripods, manufactured by Kaba SA Switzerland),
— definition of interfaces, configuration and programming of control modules compatible with the Kaba Exos 9300 system,
— cabling for AC and/or DC current supply, very low voltage (VLV) and low voltage (LV), in the distribution boxes and in the vicinity of access-control installations,
— upon works acceptance, specified on an order form, the contractor must hand over the detailed 'as-build' plans of the concluded installation to the contracting authority.
Place of application of this lot: Grand Duchy of Luxembourg.

2) CPV code(s)

45312000 Alarm system and antenna installation work

3) Quantity or scope

Estimation: 4 500 hours.

4) Indication about different time frame or duration

Duration in months: 48 (from the award of the contract)

5) Additional information about lots

Lot No: 3

Lot title: Video surveillance network systems managed and operated by proprietary software belonging to Dedicated Micros; 1200 Daresbury Park, Daresbury, Warrington, WA4 4HS, United Kingdom

1) Short description

— Installation, assembly, dismantling, connection, modification (Cenelec, VDE, ETSI, ISO /IEC) of analogue and digital video surveillance equipment (e.g. fixed and motorised cameras, recorders, servers, screens, control panels, PoE switches) managed and operated by proprietary software belonging to Dedicated Micros, and the integration thereof into the dedicated IT networks.

Place of application of this lot: Grand Duchy of Luxembourg.

2) CPV code(s)

45312000 Alarm system and antenna installation work

3) Quantity or scope

Estimation: 500 hours.

4) Indication about different time frame or duration

5) Additional information about lots

Lot No: 4

Lot title: Video surveillance network systems managed and operated by proprietary software belonging to Dallmeier Electronic GmbH & Co. KG; Cranachweg 1, 93051 Regensburg, Germany

1) Short description

— Installation, assembly, dismantling, connection, modification (Cenelec, VDE, ETSI, ISO

/IEC) of analogue and digital video surveillance equipment (e.g. fixed and motorised cameras, recorders, servers, screens, control panels, PoE switches) managed and operated by proprietary software belonging to Dallmeier Electronic, and the integration thereof into the dedicated IT networks.

Place of application of this lot: Grand Duchy of Luxembourg.

2) CPV code(s)

45312000 Alarm system and antenna installation work

3) Quantity or scope

Estimation: 1 000 hours.

4) Indication about different time frame or duration

5) Additional information about lots

Lot No: 5

Lot title: Digital video surveillance network systems managed and operated by proprietary software belonging to SeeTec AG; Werner-von-Siemens-Straße 2-6, 76646 Bruchsal, Germany

1) Short description

— Installation of software specific to the SeeTec application on servers, databases, communication and telemetry modules, made available by the contracting authority,
— installation, integration, connection and commissioning (Cenelec, VDE, ETSI, ISO/IEC) of video surveillance servers equipped with SeeTec software,
— definition of interfaces, configuration and programming of control and telemetry modules compatible with the SeeTec system,
— implementation of connector technology and cabling for video surveillance equipment of type: standard and PoE switches, multiplexer, analogue/IP converters, fixed or analogue PTZ (pan-tilt-zoom) and TCP/IP ('Transmission Control Protocol/Internet Protocol') cameras, to be connected to SeeTec servers and between other video surveillance management equipment (switch, multiplexer and analogue and IP converter),
— cabling for AC/DC current supply, VLV/LV, in the distribution boxes and in the vicinity and for the video surveillance installations,
— upon works acceptance, specified on an order form, the contractor must hand over the detailed 'as-build' plans of the completed and concluded installation to the contracting authority.
Place of application of this lot: Grand Duchy of Luxembourg.

2) CPV code(s)

45312000 Alarm system and antenna installation work

3) Quantity or scope

Estimation: 1 000 hours.

4) Indication about different time frame or duration

5) Additional information about lots

Lot No: 6

Lot title: Digital video surveillance network systems managed and operated by proprietary software belonging to Alnet Systems Inc., Skrzyszewo 148, 83-330 Żukowo, Poland

1) Short description

— Installation of software specific to the Alnet application on servers, databases, communication and telemetry modules, made available by the contracting authority,
— installation, integration, connection and commissioning (Cenelec, VDE, ETSI, ISO/IEC) of

video surveillance servers equipped with Alnet software,
— definition of interfaces, configuration and programming of control and telemetry modules compatible with the Alnet system,
— implementation of connector technology and cabling for video surveillance equipment of type: standard and PoE switches, multiplexer, analogue/IP converters, fixed or analogue PTZ (pan-tilt-zoom) and TCP/IP ('Transmission Control Protocol/Internet Protocol') cameras, to be connected to Alnet servers and between other video surveillance management equipment (switch, multiplexer and analogue and IP converter),
— cabling for AC/DC current supply, VLV/LV, in the distribution boxes and in the vicinity and for the video surveillance installations,
— upon works acceptance, specified on an order form, the contractor must hand over the detailed 'as-build' plans of the completed and concluded installation to the contracting authority.
Place of application of this lot: Grand Duchy of Luxembourg and Strasbourg (France 67).

2) CPV code(s)

45312000 Alarm system and antenna installation work

3) Quantity or scope

Estimation: 1 500 hours.

4) Indication about different time frame or duration

5) Additional information about lots

Lot No: 7

Lot title: VHF analogue and digital communication network systems, conceptual studies on IT and VHF analogue and digital radiocommunication networks

1) Short description

— Installation, moving, modification and extension of all VHF digital and analogue-type radiocommunication systems (Thales, Sysoco, Eads, Motorola, Alcatel Sepura), in accordance with the Terrestrial Trunked Radio (TETRA) standard,
— analyses, studies and development of aspects of radio spectroscopy to be deployed or reorganised under the procurement of new sites or buildings to be equipped with VHF digital and analogue radio systems.

Place of application of this lot: Grand Duchy of Luxembourg.

2) CPV code(s)

45312000 Alarm system and antenna installation work

3) Quantity or scope

Estimation: 1 200 hours.

4) Indication about different time frame or duration

5) Additional information about lots

Lot No: 8

Lot title: Consultancy, external expertise, audits in the field of security/safety

1) Short description

— Consultancy, expertise, studies and audits concerning security/safety,
— drafting technical specifications for security projects for sites occupied by the contracting authority in the Grand Duchy of Luxembourg and Strasbourg (France 67),
— provision of security/safety consultants in the field of IT and information security,
— provision of expert safety IT developers and consultants (database, network architecture,

network configuration),
— auditing and consultancy with regard to material, physical, electronic and organisational safety,
— introducing methodologies and protocols within the context of safety, sensitive data protection and the protection of information processed as part of the Security Directorate's assignment,
— consultancy assignments on safety projects for infrastructure and buildings occupied by the contracting authority in the Grand Duchy of Luxembourg and Strasbourg (France 67),
— consultancy with regard to crisis management, surveillance plan and risk assessment,
— organisational auditing of safety/security aspects.
Place of application of this lot: Grand Duchy of Luxembourg and Strasbourg (France 67).

2) CPV code(s)

45312000 Alarm system and antenna installation work

3) Quantity or scope

Estimation: 100 days.

4) Indication about different time frame or duration

5) Additional information about lots

Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

Details concerning payment terms will be given in the specifications.

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

Each individual grouping member must comply with the non-exclusion criteria. The grouping as a whole must comply with the selection criteria (see points III.2.2 and III.2.3) and the different grouping members will be jointly and severally liable for contract performance.

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: yes

Description of particular conditions: applicable for all lots apart from lot 8.

Performance of the contract is subject to particular conditions: the successful tenderer must comply, in his capacity as employer and in respect of his employees, with the obligations imposed by Grand-Ducal legislation in general and, in particular, by the Law of 28.12.1988, as amended by the Regulation of 1.12.2011 regulating the access to activities of installers of alarm and security systems and electronic engineers in telecommunications and remote data processing.

In accordance with Article 20 of this law, nationals of Member States of the European Union are bound by a requirement to notify the minister responsible for business permits. The minister shall issue an ad hoc certificate that must be supplied prior to signature of the framework contract.

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: requests to participate must be made by letter posted before the date or the deadline given in point IV.3.4 of this notice. Any faxed requests to participate must be confirmed by a letter posted before this same date or deadline.

Requests to participate must be submitted using 1 of the following methods:

— registered post, as evidenced by the postmark, to the following address: European Commission, Directorate-General for Human Resources and Security, Unit HR.R.3, Office SC-11 6/28, 1049 Brussels, BELGIUM,

— delivery (in person or by any party representing the candidate, or by courier) to the following address: European Commission, Directorate-General for Human Resources and Security, Unit HR.R.3, Office SC-11 6/28, avenue du Bourget 1, 1140 Brussels (Evere), BELGIUM.

This department is open from 8:00 until 17:00, Monday to Thursday, and from 8:00 until 16:00 on Fridays. It is closed at weekends and on Commission holidays.

For deliveries by courier, the valid date of dispatch will be the date on the courier's delivery note.

For deliveries made in person or by any party representing the candidate, delivery will, in this case, be confirmed by a receipt dated and signed by an official from the Commission's Central Mail Department who takes delivery of the documents.

The candidate:

— shall quote reference 'HR/R3/PR/2014/016' in his request to participate,

— shall enclose the documents and information required in points III.2.1 to III.2.3 of this notice,

— shall give exact details of the lot applied for,

— shall provide an identification sheet (for groupings, separate sheets for each member with details of the leader) including name, legal status, nationality, postal address, telephone, fax, person to contact for the contract and e-mail address, website (where applicable), VAT number (where applicable), legal registration number (where applicable).

* Legal position — means of proof required:

— name of the country in which the candidate has his head office or is domiciled, together with corresponding documentary evidence, in accordance with legislation in his country of residence,

— tenderers are required to provide proof of their authorisation to produce the object covered by the contract in accordance with national law: entry on the professional or trade register or statement under oath or certificate, membership of a specific organisation, express authorisation, entry on the VAT register.

If the candidate intends forming a consortium, grouping or association of companies, he must give details of the composition thereof. In this case, the documents and information must be provided separately for each partner concerned.

Furthermore, the lead company must be identified as such and all members of the consortium, grouping or association of companies must declare that they accept said company as leader. In order to prove that he has the requisite capacities specified in points III.2.2 and III.2.3, the candidate may make use of the capacities of other bodies irrespective of the legal nature of the connection between himself and said bodies. In such an event, he must provide the contracting authority with proof that he will have the resources needed to carry out the contract by, for example, producing a written commitment by said bodies to make such resources available.

The candidate (separate documents for each member of the consortium, grouping or association of companies, if this is the case) shall enclose with his request to participate a

duly signed and dated solemn declaration, attesting to the fact that he is not in any of the cases which would exclude him from participating in the contract. This document is available at the following address: http://ec.europa.eu/dgs/human-resources/markets_fr.htm
Requests to participate submitted by a consortium, a grouping or an association of companies must contain:

- (a) a document giving the composition and constitution of the entity or the legal form of this cooperation in the event they are awarded the contract;
- (b) a letter signed by each grouping member with details of their undertaking to perform the work, specifying their role, qualifications and experience.

Candidates who fail to provide this document may be excluded.

III.2.2. Economic and financial ability

List and brief description of conditions: candidates must demonstrate that they have sufficient economic and financial resources to be able to perform the tasks specified in this contract notice.

The following documents must be provided in support of their economic and financial capacity (groupings/partnerships must provide separate documents for each of their members):

- (a) statement as to overall annual turnover during the past 3 financial years (2011, 2012 and 2013);
- (b) statement as to annual turnover concerning the works, supplies or services covered by the contract during the past 3 financial years (2011, 2012 and 2013);
- (c) copy of the official balance sheets and profit and loss accounts for the past 3 financial years available for which accounts have been closed, showing the annual pre-tax profit. If the balance sheets show an average loss over the past 3 financial years, candidates must provide another document as proof of their financial and economic capacity, such as appropriate bank references or proof of professional risk insurance cover.

Minimum level(s) of standards possibly required: The candidate must provide proof of a consolidated minimum average annual specific turnover of:

- for lot 1: 520 000 EUR;
- for lot 2: 360 000 EUR;
- for lot 3: 37 500 EUR;
- for lot 4: 79 000 EUR;
- for lot 5: 80 000 EUR;
- for lot 6: 120 000 EUR;
- for lot 7: 97 500 EUR;
- for lot 8: 120 000 EUR;

during the following 3 financial years: 2011, 2012 and 2013.

III.2.3. Technical and professional ability

List and brief description of conditions:

1) the candidate must provide a list of the services carried out during the past 3 financial years (2012, 2013 and 2014) in the field of the lot(s) of this contract. This list shall provide a detailed description of the services, the performance dates, the volume of the services provided, the required technical skills, the public or private recipients, including at least 3 references for lots 1-2-3-4-5-6-7 and at least 8 references for lot 8.

For each contract, the candidate shall specify which services were carried out by his own staff and which ones were subcontracted.

2) The candidate shall provide a description of the resources he has at his disposal to carry out the services under the lot(s) tendered for.

3) For lots 1, 2, 3, 4, 5, 6 and 7, candidates must provide a CV for each of the following 3

profiles: technician, engineer and programmer. The CVs shall state the academic and professional qualifications and provide proof of at least 3 years' experience in the technical field (s) referred to in the lot(s) tendered for.

For lot 8, candidates must provide a CV for each of the 2 profiles: senior safety consultant and network systems engineer. The CVs must state the academic and professional qualifications and provide proof of at least 5 years' experience in the technical field(s) referred to in the lot(s) tendered for.

4) For lots 1, 2, 4, 5, 6 and 7, the candidate must be authorised by the holders of the various systems' proprietary rights. The candidate must enclose with his request to participate a commercial accreditation or an authorisation from the holders of proprietary rights.

5) In his request to participate, the candidate must specify the part of the contract he may intend to subcontract. If so, he (lead candidate) must state the subcontractor's name, particulars, company name and legal status; furthermore, any documentary evidence attesting to the candidate's technical and professional capacity must be provided by any subcontractor (s).

Minimum level(s) of standards possibly required:

— for lots 1, 2, 3, 4, 5, 6 and 7 and the engineer and programmer profiles, a university degree (degree in engineering, a master's or bachelor's degree or similar) or equivalent is required in the field (industrial or civil) referred to in the lot tendered for, with at least 3 years' professional experience,

— for the technician (lots 1, 2, 3, 4, 5, 6 and 7), a technical certificate ('Brevet de Technicien Supérieur' — BTS) or equivalent is required, with at least 3 years' professional experience in the field of the lot in question,

— for lot 8 and the senior safety consultant and systems engineer profiles, a university degree (degree in engineering, a master's or bachelor's degree or similar) or equivalent is required in the field (industrial or civil) referred to in the lot tendered for, with at least 5 years' professional experience.

Language used:

— the staff responsible for the project (irrespective of the lot in question) must be proficient in 2 of the 3 working languages in the Grand Duchy of Luxembourg (English, French, German) and able to take part in bilingual meetings.

The minimum level required is C1 level on the CEF scale — <https://europass.cedefop.europa.eu/fr/resources/european-language-levels-cefr>.

This information will be verified in the CVs submitted or may be the object of a solemn declaration by candidates.

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts

III.3.1. Information about a particular profession

Execution of the service is reserved to a particular profession: no

III.3.2. Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract: yes

Section IV: Procedure

23.3.2015 - 16:00

IV.3.5. Estimated date of dispatch of invitations to tender or to participate to selected candidates**IV.3.6. Languages in which tenders or requests to participate may be submitted**

Any EU official language

IV.3.7. Minimum time frame during which the tenderer must maintain the tender**IV.3.8. Conditions for opening of tenders****Section VI: Complementary information**

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.2. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

VI.3. Additional information

1) The attention of interested parties is drawn to the aim of this notice, i.e. to select candidates who will receive the specifications and be invited to tender.

2) A site visit for lots 1, 2, 3 and 7 will be held in Luxembourg and it is highly recommended that selected candidates take part. The costs this visit incurs will not be reimbursed by the contracting authority and will be borne in full by selected candidates. Further information will be provided in the specifications.

3) NB: interested parties are requested to strictly observe the conditions stated in point III.2 of

this notice when submitting their request to participate, namely:

— to send their application by letter imperatively before the date or the deadline given in point IV.3.4. Applications sent after the date or the deadline given in point IV.3.4 will be automatically rejected,

— to enclose all documents and information required under points III.2.1 to III.2.3.

4) If the monitoring of your responses to the contract notice or the invitation to tender involves the registration and processing of personal data (e.g. name, address, CV), this data will be processed in accordance with Regulation (EC) No 45/2001 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data. Unless otherwise specified, the answers to questions and the personal data requested are necessary for the evaluation of your request to participate, in accordance with the specifications in the invitation to tender, and will be processed for this purpose only by DG.HR.R.R3. Detailed information on the processing of your personal data can be found in the privacy statement which can be consulted at the following address: http://ec.europa.eu/dataprotectionofficer/privacystatement_publicprocurement_en.pdf

5) Your personal data may be registered by the Commission's accounts officer either in the Early Warning System (EWS) only, or in both the EWS and the central exclusion database, if you are in any of the situations referred to in:

— Commission Decision 2008/969 of 16.12.2008 on the Early Warning System (for further information, consult the privacy policy statement at: http://ec.europa.eu/budget/contracts_grants/info_contracts/legal_entities/legal_entities_fr.cfm), or

— Commission Regulation No 1302/2008 of 17.12.2008 on the central exclusion database (for further information, consult the privacy policy statement at: http://ec.europa.eu/budget/explained/management/protecting/protect_fr.cfm#BDCE).

6) Interested parties should refrain from requesting further information at this stage.

Interested economic operators or consortia of economic operators are invited to submit their applications in accordance with the rules established in this notice.

VI.4. Procedures for review

VI.4.1. Review body

Official name: General Court of the European Union

Postal address: rue du Fort Niedergrünwald

Town: Luxembourg

Postal code: 2925

Country: Luxembourg

E-mail: cfi.registry@curia.europa.eu

Telephone: +352 4303-1

Internet address: <http://curia.europa.eu>

VI.4.2. Review procedure

VI.4.3. Service from which information about the review procedure may be obtained

VI.5. Date of dispatch of this notice

11.2.2015
