III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

The tenderers shall be a legally established company: This is to be documented by a company registration certificate from the tenderer's home country.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

The Contracting Authority will obtain a credit rating from Experian. Tenderers must achieve a minimum rating of "creditworthy". The tenderer is expected to have familiarised himself with registered information about the company and by submission of the tender accepts that the information will be obtained and form the basis of the assessment of the tenderer's financial situation. If the tenderer knows that the requirement regarding the financial capacity to carry out the contract cannot be met via the credit rating as specified above, the tenderer can submit other documentation with the tender that confirms a satisfactory financial capacity.

Minimum level(s) of standards possibly required:

Tenderers must have the financial ability to carry out the contract.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

The tenderers shall be able to present a list of the most important deliveries or services performed in the last 3 years. The list must as a minimum include the following information:

- a short description of the assignment,
- the size or value of the assignments,
- dates (contract periods),
- names of clients and a short description thereof,
- telephone numbers, e-mail addresses and names of contact persons at the client. Relevant clients from the list can be contacted.

Minimum level(s) of standards possibly required:

The tenderers must have provided a library system to minimum 3 clients. Documentation of excellent implementation ability is required.
