**VI.4.3. Review procedure**

Precise information on deadline(s) for review procedures:

The Utility will incorporate a standstill period at the point information on the award of the contract is communicated to tenderers. That notification will provide full information on the award decision. The standstill period, which will be for a minimum of 10 calendar days, provides time for unsuccessful tenderers to challenge the award decision before a contract is entered into. The Utilities Regulations 2006 (SI 2006/6) provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the Regulations to take action in the High Court (England, Wales, and Northern Ireland).
