---

**Section II: Object**

**II.1. Scope of the procurement**

**II.1.1. Title**

Contract for Maintenance Services on the Moyle Interconnector Converter.

**II.1.2. Main CPV code**

65300000 Electricity distribution and related services

**II.1.3. Type of contract**

Services

**II.1.4. Short description**

Moyle Interconnector Limited ('Moyle'), a subsidiary of Mutual Energy Limited, owns and operates the Moyle Interconnector, a HVDC link between the electricity transmission systems in Northern Ireland and Scotland. Moyle has appointed a maintenance contractor who will ensure that the Interconnector Converter Stations and associated equipment will continue to meet high availability performance targets on a cost effective basis. The contractor will be responsible for responding to and repairing faults associated with the interconnector control systems and HV AC and DC plant, equipment and protection systems. The contractor will also be responsible for possessing and maintaining safety authorisations to carry out switching and

work in accordance with the Northern Ireland Electricity safety rules. An important element of the service to be provided by the contractor will be response to faults involving the Interconnector Control Systems and the maintenance and development of same.

#### **II.1.6. Information about lots**

This contract is divided into lots: no

#### **II.1.7. Total value of the procurement**

Value excluding VAT: 6 000 000,00 GBP
