II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Tenderers must be registered in a register of business enterprises, professional register or a trade index in the country where the tenderer is established.

Requirements for documentation: Company registration certificate.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Requirement 1: The supplier must have settled conditions in relation to payment of tax, payroll tax and value added tax (VAT). Documentation requirement: Tax certificate. The certificate must not be older than 6 months from the tender deadline.

Requirement 2: Tenderers must have sufficient economic and financial capacity to fulfil the contract. Documentation requirement: Tenderers must enclose:

The annual accounts for the last 2 years, including notes and the board and auditor's reports (2020 and 2021).

If a Tenderer has valid reasons for not being able to provide the documentation requested by the Contracting Authority, the Tenderer can prove their economic and financial capacity with any other document that the Contracting Authority deems suitable, cf. the public procurement regulations §16-4 (2).

The contracting authority reserves the right to obtain a credit rating of the tenderers via a credit rating agency.

Minimum level(s) of standards possibly required:

Requirement 1: tax certificate.

Requirement 2: annual accounts for the last 2 years, including notes and the board and auditor's reports (2020 and 2021).

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Requirement 1: Tenderers have relevant experience from equivalent assignments. This means that the Tenderer must have operative experience of similar/equivalent scope for at least 2 years.

Documentation requirement: Requirements on experience must be documented by completing: Procedure Rules Annex 5 Assignment Overview

The contracting authority reserves the right to contact the references provided in the annex.

Requirement 2: The tenderer must have an operative control system that has been implemented and is in operation.

Documentation requirement:

Tenderers must submit documentation that provides a description of the company's control system and the date of implementation. See the Procedure Rules Annex 6 Quality Control System.

In Annex 6, tenderers must submit a general description of the contents of the system with emphasis on that which is relevant to this contract.

In addition, tenderers must describe how deviations are handled and how follow-up is carried out, emphasising how the tenderer tries to avoid the deviation recurring.

Minimum level(s) of standards possibly required:

Requirement 1: documented experience from similar/equivalent assignments and scope of at least 2 years. Completed Annex 5 Assignment Overview

Requirement 2: description of the company's control system and the date of implementation. Completed Annex 6 Quality Control System
