III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

All the economic operators envisaged by art. 45 of Legislative Decree no. 50/2016, including competitors specifically and temporarily grouped pursuant to art. 45, paragraph 2, lett. d) of Legislative Decree no. 50/2016 and aggregations between companies participating in the network contract pursuant to art. 45, paragraph 2, lett. f) of Legislative Decree no. 50/2016..

(a) For temporary groupings of companies, under penalty of exclusion, it is required:

1) R.T.I. not formally established for participation in the tender:

— the request must:

— be signed jointly by the legal representatives of all the companies constituting the grouping,

— specify the parts of the supply that will be performed by the individual companies (the agent, in any case, must meet the requirements and perform the services to a majority extent, pursuant to Article 83, paragraph 8 of Legislative Decree No. 50 / 2016),

— indicate the company that will take on the role of agent,

— contain the commitment that, in the event of awarding the tender, the same companies will comply with the provisions of art. 48 of Legislative Decree no. 50/2016;

— each company that constitutes the Grouping must enclose its own documentation, as prescribed in the following point III.2.

2) R.T.I. formally established for participation in the tender:

— notarial deed from which, among other things, results:

— the conferment of the special collective mandate with representation to the company among those gathered as qualified,

— the specification of the parts of the supply that will be performed by the individual companies (the agent, in any case, must possess the requisites and perform the services to a majority extent, pursuant to Article 83, paragraph 8 of Legislative Decree No. 50/2016);

— the application must be signed by the legal representative of the assignee company,

— each company that constitutes the Grouping must enclose its own documentation, as prescribed in the following point III.2.

Or the purposes of qualification, the articles 48 and 83 of Legislative Decree no. 50/2016.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Each competitor must submit, together with the application form and penalty for exclusion from the tender, the following documentation:

- self-certification of the legal representative, drawn up pursuant to and for the effects of the D.P.R. n. 445/2000, with the modalities of which to the art. 38 paragraph 3, attesting to have built and marketed, in the last 5 (five), boats with similar characteristics to that contracted for size (+ 10 % of the dimensions required in the technical specifications and + 30 % of the power required in the same technical specifications) and performance. Said self-certification must be accompanied by the data of the boats and their buyers,
- certification of quality ISO 9001: 2015 valid from the date of submission of the application for participation, or self-certification of the legal representative, drawn up pursuant to and for the effects of the D.P.R. n. 445/2000, with the modalities of which to the art. 38, paragraph 3, which certifies its possession. In case of ISO 9001: 2015 certification expired validity, the same must be submitted together with the renewal application before the deadline of this announcement: the admission of the competitor will be subject to presentation, within the deadline of the offer, of the new certification ISO 9001: 2015 valid in validation or proof of the positive result of the Audit.
