Options: yes

Description of options:

The Contracting Authority has an option for extending the agreement on the same terms for 1 (one) + 1 (one) year, so that the total possible agreement period is 4 (four) years.

The contract contains other options. See the tender documentation for more detailed information.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds: no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1.

Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Tenderers must be registered in a company register, professional register or a trade register in the country where the tenderer is established.

Documentation requirement:

- Norwegian tenderers: Company registration certificate
- Foreign tenderers: Verification that the tenderer is registered in a company register, trade register or a commerce register in the country where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tenderers must have sufficient economic and financial capacity to fulfil the contract.

Documentation requirement:

Credit rating based on the most recent accounting figures. The rating must be carried out by a credit rating agency with a licence to provide such service.

If a tenderer has valid reasons for not being able to provide the documentation requested by the contracting authority, the tenderer can document his economic and financial capacity by presenting other documents considered suitable by the contracting authority.

Minimum level(s) of standards possibly required:

Creditworthiness with no requirement for guarantees will be sufficient to meet the requirement.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

A. Tenderers must have experience from comparable assignments.

B. Tenderers must have a good and well-functioning quality assurance and management system for the provided services

C. Tenderers must have an established environmental management system.

Minimum level(s) of standards possibly required:

Documentation requirement:

A. Description of up to three of the tenderer's most relevant/comparable assignments in the last three years. The list must include a statement of the assignment's value, date and recipient (name, telephone number and e-mail address). It is the tenderer's responsibility to confirm relevance through the description. Tenderers can document experience by referring to the competence of personnel at disposal for this assignment, including experience that has been acquired while personnel performed services for another supplier.

B. Tenderers must submit documentation of the quality assurance system and management system. The following documentation will be accepted:

Certificate of the company's quality system/management system, issued by independent bodies that confirm that the tenderer fulfils quality assurance standards in accordance with ISO 9001 or equivalent,

or a description that, as a minimum, comprises the company's procedures/routines for:

Management of nonconformity and complaints, and the process from receipt and registration of orders until delivery to the client has been made.

C. Tenderers must submit documentation of their environmental management system.

The following documentation will be accepted:

Valid attestation/certificates issued by independent bodies (e.g. ISO 14001, EMAS, Eco-Lighthouse or equivalent, or a description of the tenderer's own environmental management system. The description must as a minimum include an environmental policy and environmental goals.
